**Calgary Metropolitan Region Board - 2022 May Land Use & Servicing Committee Meeting
Update (Verbal) - IGA2022-0620**

Recommendation

That Intergovernmental Affairs (IGA) Committee receive this verbal report for the Corporate Record.

Recent meetings and events:

The Calgary Metropolitan Region Board (CMRB) Land Use & Servicing Committee meeting was held on 2022 May 5. Councillor Gian-Carlo Carra represented The City at the meeting.

The Committee received the following items for information:

- The Committee received a presentation by the Insurance Bureau of Canada on catastrophic loss. The presentation focused on the increasing trends of severe weather events in Alberta, such as hail and flooding, and ways to promote and improve resiliency in the region. The presentation also highlighted the City of Calgary Residential Roofing Rebate Program as an example of how municipalities can promote resiliency.
- The Committee also received an update from CMRB Administration on future transportation initiatives. CMRB Administration are not recommending a re-evaluation of the existing transportation priorities list, rather they are recommending creating a Regional Transportation and Transit Master Plan (RTTMP) to identify regional transportation, transit and mobility goals and priorities and how best to implement the policies of the Growth Plan.
