EXECUTIVE SUMMARY

This application is for proposed street names in the community of Carrington. The proposed names are: Carringway, Carringset, Carringdel, Carringham, Carringwood and Carringford.

ADMINISTRATION RECOMMENDATION

2015 May 21

That Calgary Planning Commission recommends **APPROVAL** of the proposed street names.

RECOMMENDATION(S) OF THE CALGARY PLANNING COMMISSION

The Calgary Planning Commission recommended that Council:

1. **ADOPT**, by Resolution, the proposed street names of Carringway, Carringset, Carringdel, Carringham, Carringwood and Carringford, in accordance with the Administration's recommendation.

REASONS FOR RECOMMENDATION:

The street names have been submitted on behalf of Mattamy Development Corporation in conjunction with their application for land use redesignation and outline plan, LOC2013-0105.

The street names, except Carringway, meet the requirements of the Municipal Naming Policy. As Carringway contains a street type (Way), the circulation referees did not support that name. The developer has a strong desire to use that name, with the intention to use street types such as Crescent or Grove. Carringway Way will not be used. Administration supports the proposed street names.
