

Development Permit (DP2022-02550) Summary

A development permit application (DP2022-02550) has been submitted by K5 Design on 2022 April 13. The development permit application is for a Rowhouse Building, about 10 metres in height, with four dwelling units, four secondary suites, and seven on-site motor vehicle stalls.

The following figures from the development permit submission provide an overview of the proposal and are included for information purposes only and are subject to change through the development review. Administration's review of the development permit will determine the final building design, and site layout details such as parking, landscaping and site access.
