# Community Safety Investment Joint-Funding Partnership Working Group Report Back

CD2022-0748

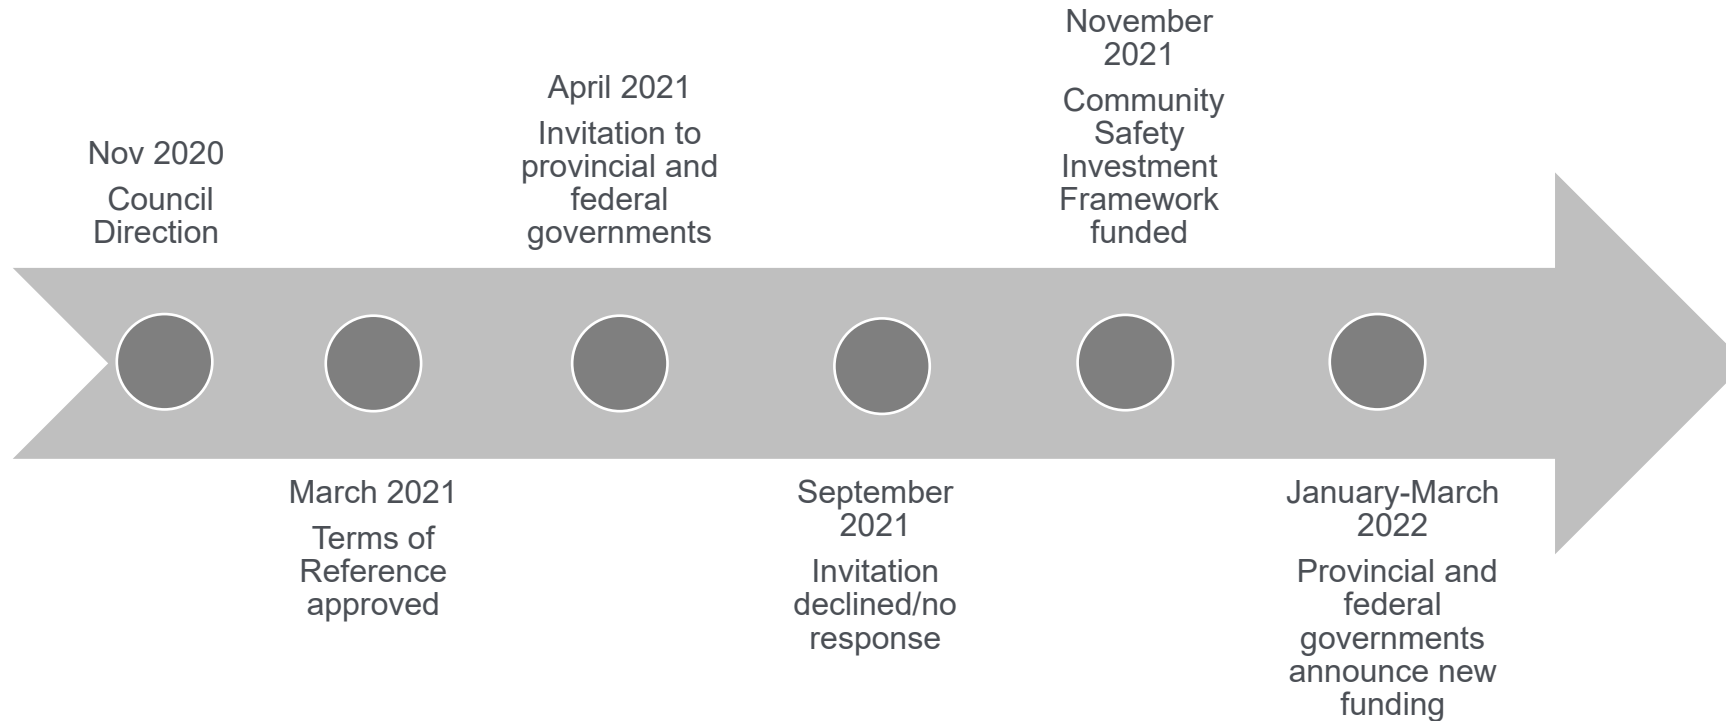

Community Development Committee

2022 June 22

## Recommendations:

1. That the Community Development Committee recommend that, as a result of recent funding opportunities from the other orders of government in support of community safety, Council disband the Community Safety Investment Joint-Funding Partnership Working Group.
2. That the previous members of the Community Safety Investment Joint-Funding Partnership Working Group be thanked for their participation to date.
