Introduction

Research Overview

Method	16 minute telephone survey conducted with a randomly selected sample of City of Calgary residents.
Field Dates	July 2 to August 27, 2014 Extended interview process over eight weeks designed to minimize the impact of point-in-time events.
Sample Size and Distribution	1,000 City of Calgary residents 18 years of age or older. Data collected proportionate to the population of CPS District Locations. In 2014, the sample was divided between land-line respondents (n=700) and cellphone respondents (n=300). In 2013 and 2012, age quotas based on 2011 results were introduced to reduce the impact of fewer younger Calgarians having a land-line telephone. Quotas were not used in 2014.
Telephone Interviewing and Quality Control	Field supervisors were present at all times to ensure accurate interviewing and recording of responses. A minimum of 10 percent of each interviewer's work was unobtrusively monitored for quality control in accordance with the standards set by the Marketing Research and Intelligence Association (MRIA).
Reporting of Results	This report contains the results of the 2014 Citizen Survey conducted by Illumina Research Partners on behalf of the Calgary Police Commission. Where possible, results from the 2009 (n=1,006), 2010 (n=1,004), 2011 (n=1,005), 2012 (n=1,002), and 2013 (n=1,003) Calgary Police Commission Citizen Surveys have been incorporated. <div data-bbox="573 974 688 1081" data-label="Image"> </div> Indicates that tracking is not available due to changes in wording/coding <div data-bbox="590 1024 674 1081" data-label="Image"> </div> Indicates that tracking is not available because the question is new for 2014
Indicating Significance	Differences in results that are statistically significant (95% confidence) are denoted by the following symbols: <div data-bbox="600 1138 688 1182" data-label="Image"> </div> Indicates significantly higher than the previous year of citizen results <div data-bbox="600 1187 688 1230" data-label="Image"> </div> Indicates significantly lower than the previous year of citizen results <div data-bbox="600 1235 688 1279" data-label="Image"> </div> Indicates a notable positive trend (not a signifier of significance)
Rounding Errors	Some graphs will not show results equal to 100%; in those cases, this is due to the reported numbers being rounded or to the remainder of the sample having responded "Don't Know/Refused".

Objectives of the 2014 CPC Citizen Satisfaction Survey.

Why Survey the Citizens of Calgary?

To provide good governance, the Calgary Police Commission must be in touch with the needs, experiences, concerns and motivators of the citizens of Calgary.

Research Goals

To understand and monitor:

- how citizens perceive the quality of services they receive;
- what expectations they have from police services;
- what community concerns are at the forefront; and,
- what steps are necessary to build safer communities.

In order to:

- enhance insight from information;
- inform business planning;
- provide input to the Calgary Police Service (CPS) Performance Evaluation; and,
- raise the profile of the Calgary Police Commission (CPC).

Citizen Perceptions of Crime and Safety

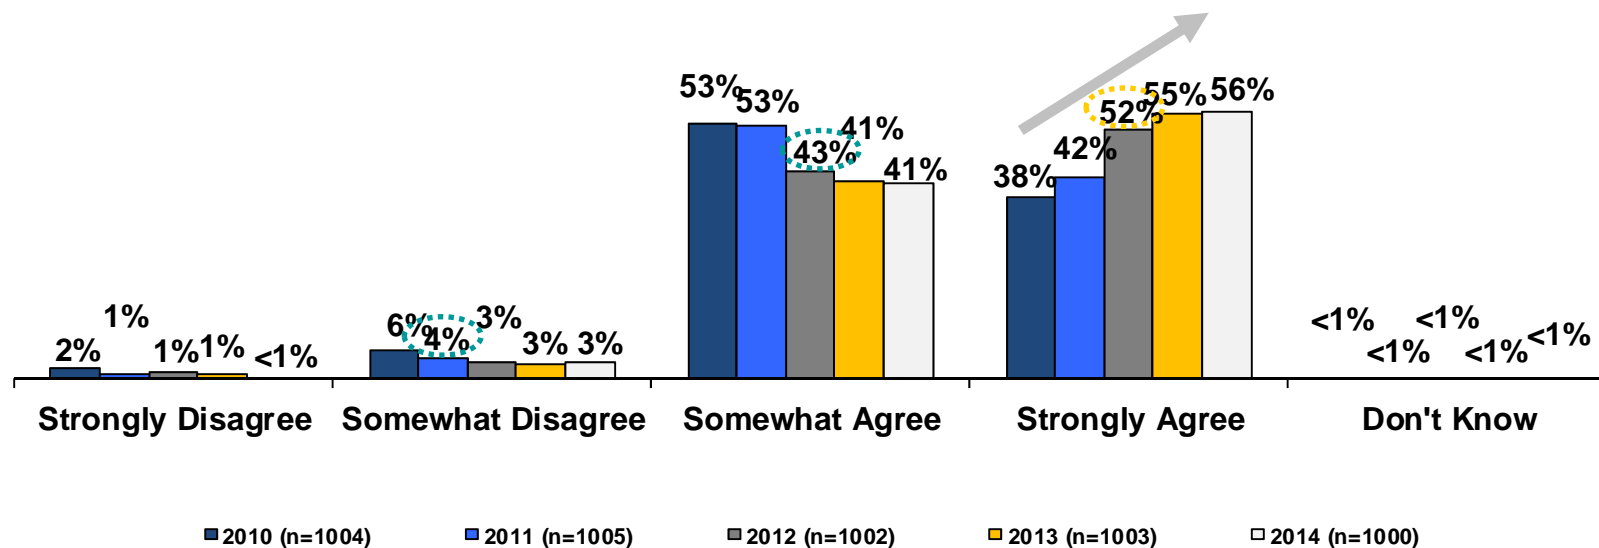

Perceptions of Safety in the City of Calgary

Similar to 2013, over one-half of citizens “Strongly Agree” that Calgary is a safe city to live in.

% Agreement – Calgary is a safe city to live in

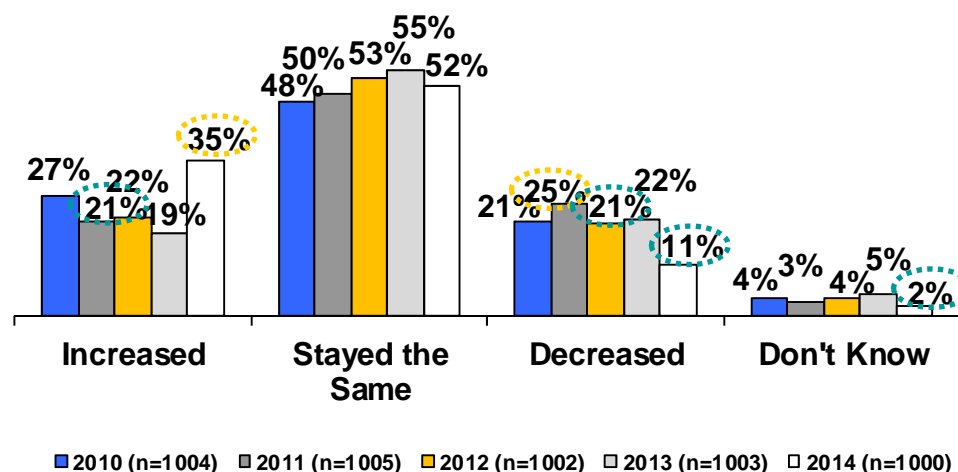

Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

Perceived Change in Overall Crime Rate in Calgary

Notably more citizens feel crime rates in Calgary have increased over the last twelve months.

Perceived Change in Calgary Crime Rate

Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

B2. Thinking about the last 12 months, in your opinion are crime rates in Calgary increasing, decreasing, or staying the same?
 B3a. Considering the City of Calgary as a whole, what would you say is the safety or crime issue of greatest concern to you, if any?
 B3b. What other safety or crime issues come to mind?

Safety or Crime Issue of Greatest Concern

**First Mention
n=1000**

**Total Mentions
n=1000**

House break-ins/break and enter	19%	31%
Illegal gang activities	8%	13%
Assault causing injury	8%	14%
Drug law enforcement	7%	13%
Traffic violations (speeding, unsafe driving)	6%	16%
Theft other than vehicles	4%	12%
Murder	3%	6%
Safety in public places (downtown, streets)	2%	4%

Citizen Perceptions of the CPS

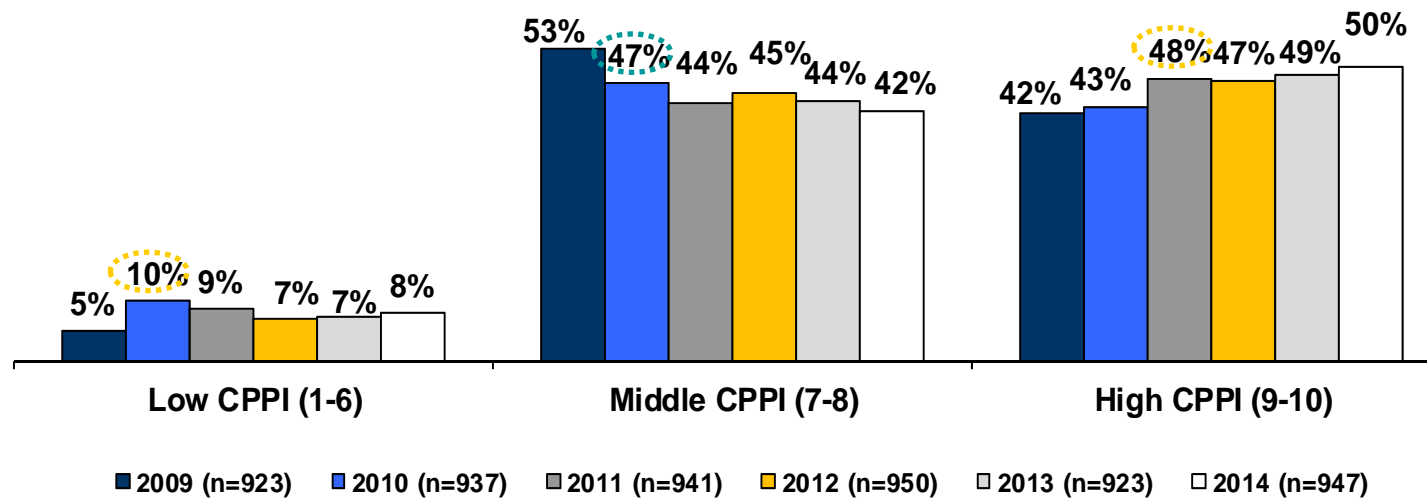

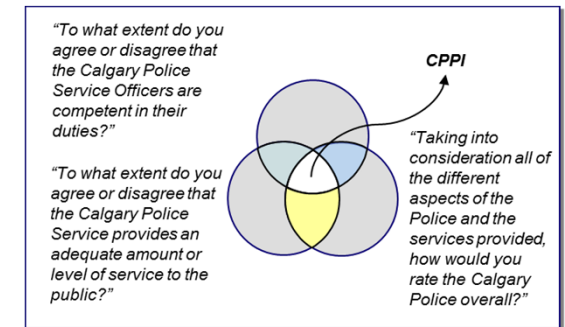

Calgary Police Perception Index (CPPI)

The Calgary Police Perception Index (CPPI) continues to be strong in 2014.

The Calgary Police Perception Index (CPPI)

See Appendix C for an explanation of the CPPI calculation

Denotes statistically higher than the previous year

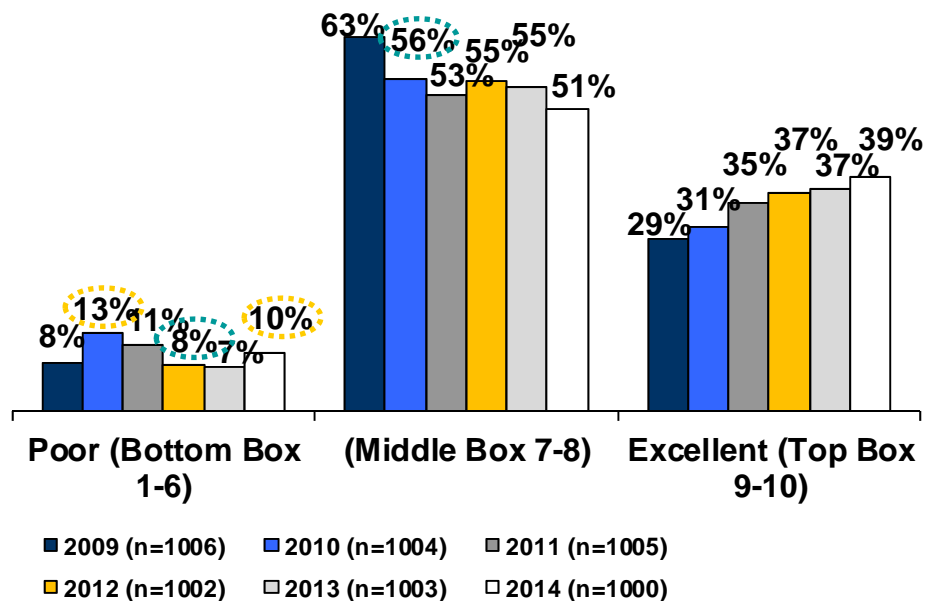

Denotes statistically lower than the previous year

Calgary Police Perception Index (CPPI)

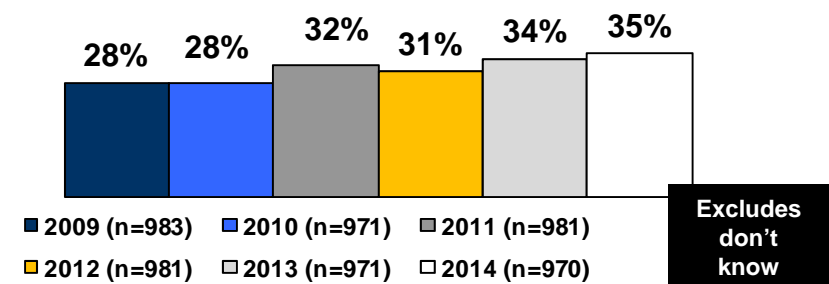

The Calgary Police Perception Index (CPPI) is comprised of three different measures.

How would you rate the Calgary Police overall?

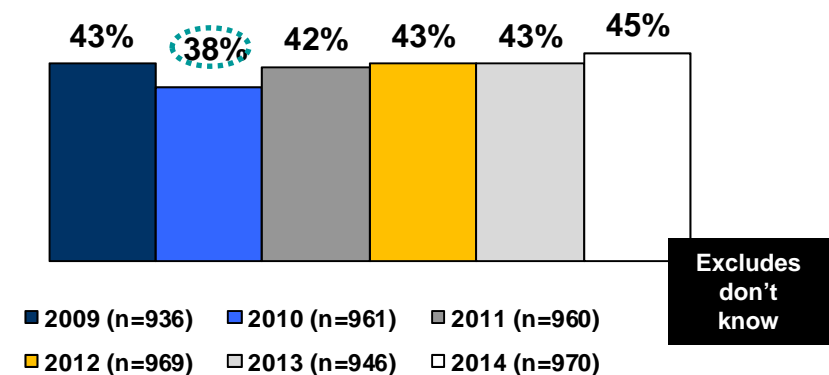

Denotes statistically higher than the previous year
Denotes statistically lower than the previous year

To what extent do you agree or disagree that the CPS provides an adequate amount or level of service to the public?
Top Box Scores (9-10)

To what extent do you agree or disagree that the CPS Officers are competent in their duties?
Top Box Scores (9-10)

Reasons for Overall Satisfaction

Many citizens feel the CPS does an excellent job and state they have had positive experiences with the police.

NEW

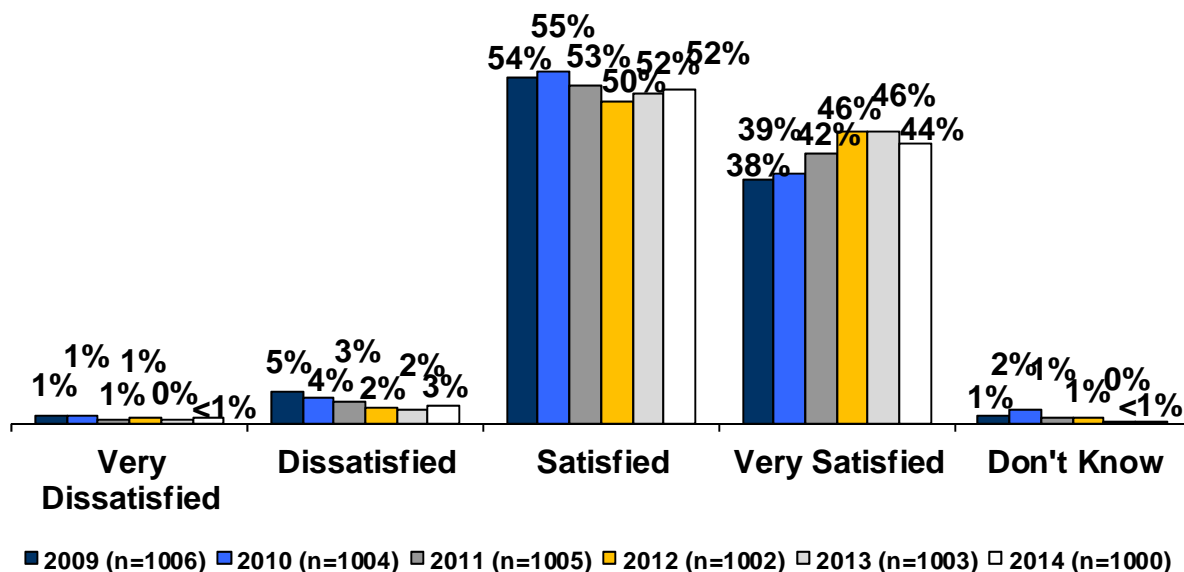

Reasons for Overall Rating	First Mention n=1000	Total Mentions n=1000
NET: POSITIVE	64%	73%
They do a good/excellent job/they do the best they can	25%	44%
Positive experiences with the police	17%	24%
Strong visible presence	5%	13%
Good public relations and communication	3%	9%
Good efforts to reduce crime	3%	9%
Honest/friendly/courteous	2%	12%
Always available when needed	2%	11%
Pleased with new police chief	2%	4%
Efficient/competent/helpful/reliable	1%	12%
Quick to respond	1%	8%
Law enforcement/maintain order/support the community	1%	6%
Hard working/dedicated	1%	5%
They have a very difficult job	1%	5%
I admire/respect them	1%	3%
NET: NEGATIVE	26%	46%
They have room for improvement	7%	19%
Overworked/understaffed/underfunded	4%	12%
Not enough visible presence	4%	7%
Police did not respond to my concern/did not seem to care	3%	5%
Some officers are not courteous	3%	9%
Poor ability to enforce laws	2%	7%
Slow response time	1%	4%
Discriminate against different groups	1%	4%
Too preoccupied with minor crimes/issuing traffic tickets	1%	3%
Other	3%	3%
Don't Know	8%	8%

Overall Satisfaction with the CPS

Overall satisfaction with the CPS (Very Satisfied + Satisfied) is on par with 2013.

Overall Satisfaction Rating

Year	Overall Satisfaction (Very Satisfied/Satisfied)
2014	96%
2013	97%*
2012	96%
2011	95%
2010	93%
2009	92%
2008	89%
2007	90%
2005	92%
2003	91%
2000	96%
1997	95%

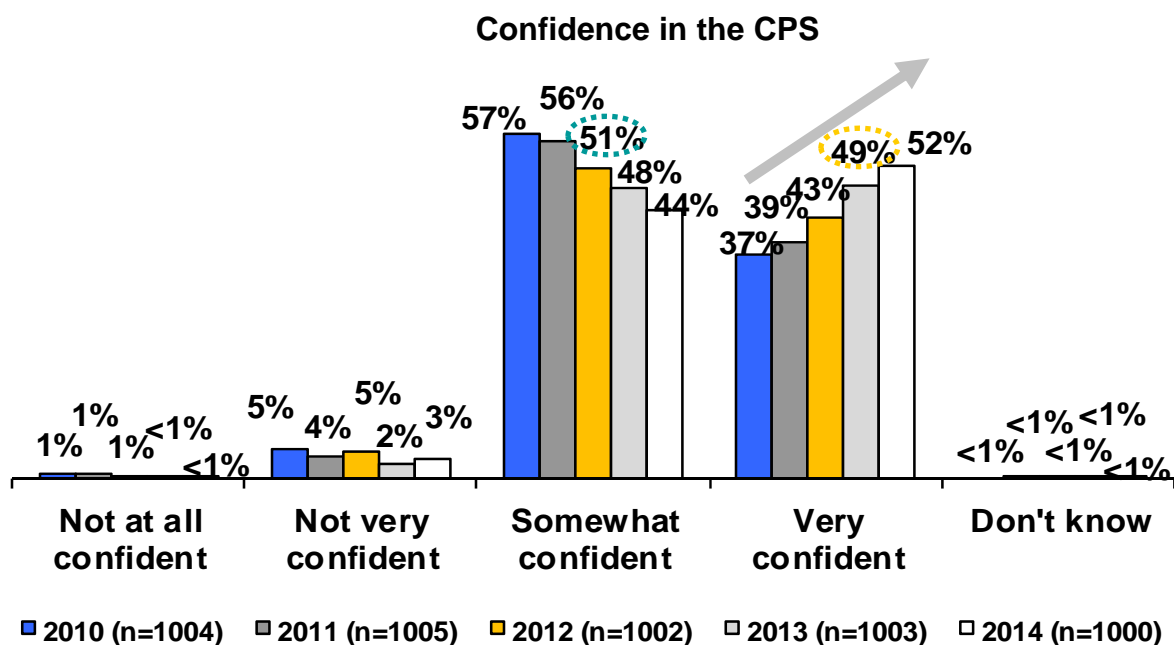

Confidence in the CPS

Confidence in the CPS

The number of citizens who are “Very Confident” in the CPS is at its highest level since 2010.

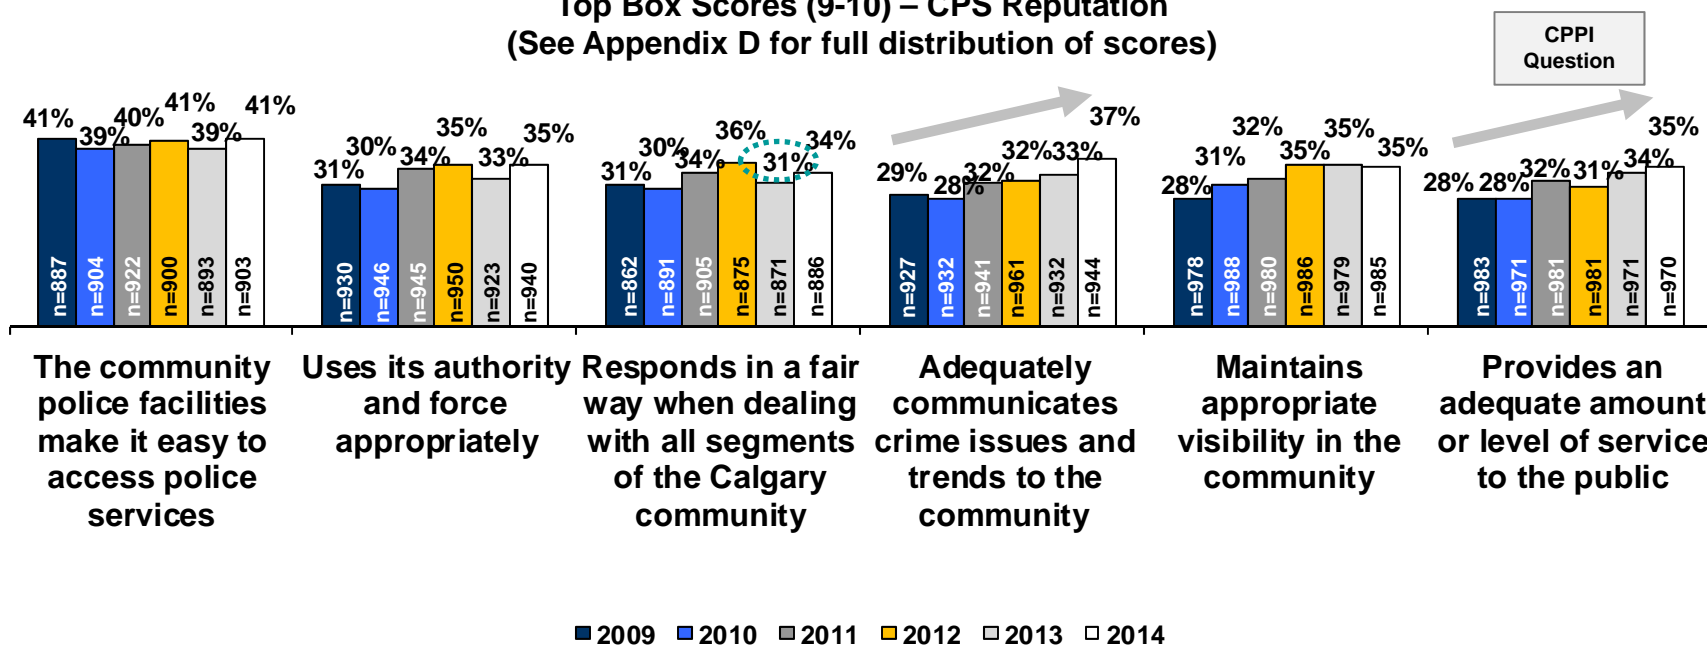

Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

CPS Reputation Attributes

Since 2009 there has been a steady increase in citizen perceptions that the CPS “adequately communicates crime issues and trends” and “provides an adequate level of service to the public.”

Top Box Scores (9-10) – CPS Reputation
(See Appendix D for full distribution of scores)

CPPI Question

Denotes statistically higher than the previous year

Denotes statistically lower than the previous year

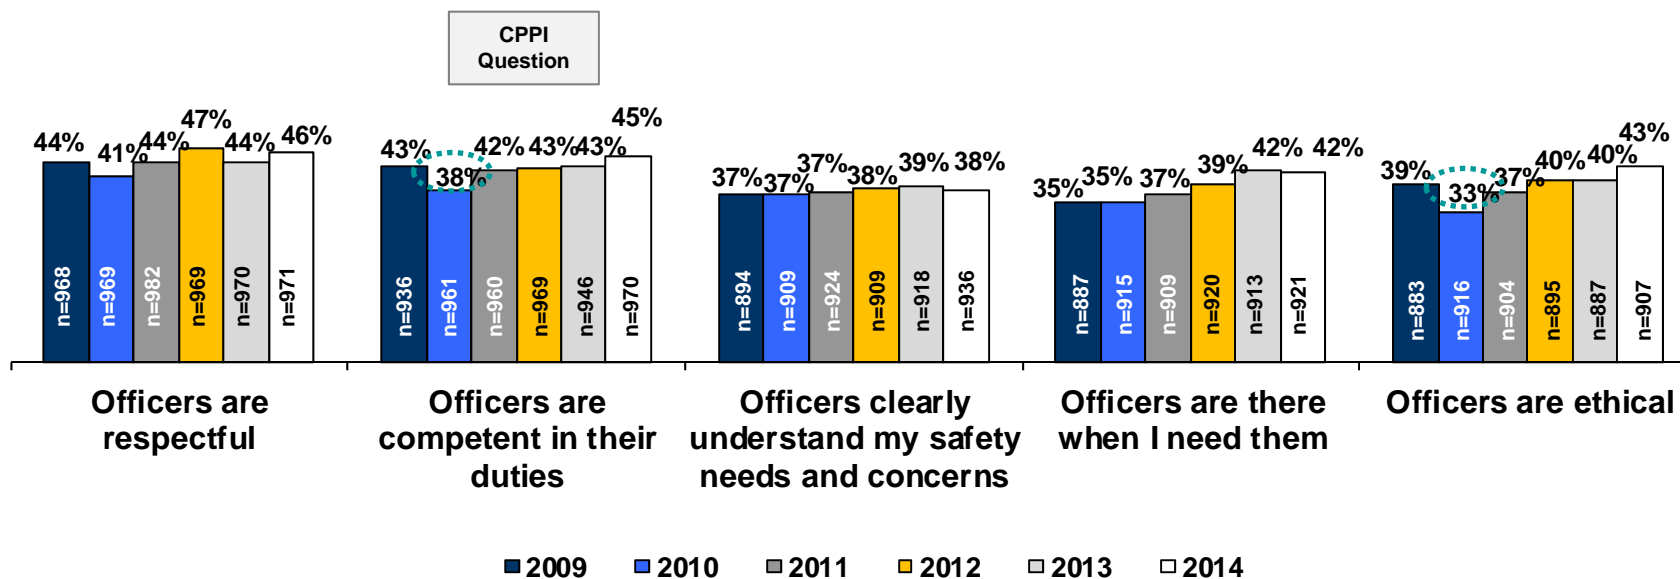

Excludes don't know

CPS Officer Attributes

“Officers are competent in their duties” and “officers are ethical” received the highest scores since 2009.

Top Box Scores (9-10) – Officer Attributes
(See Appendix D for full distribution of scores)

Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

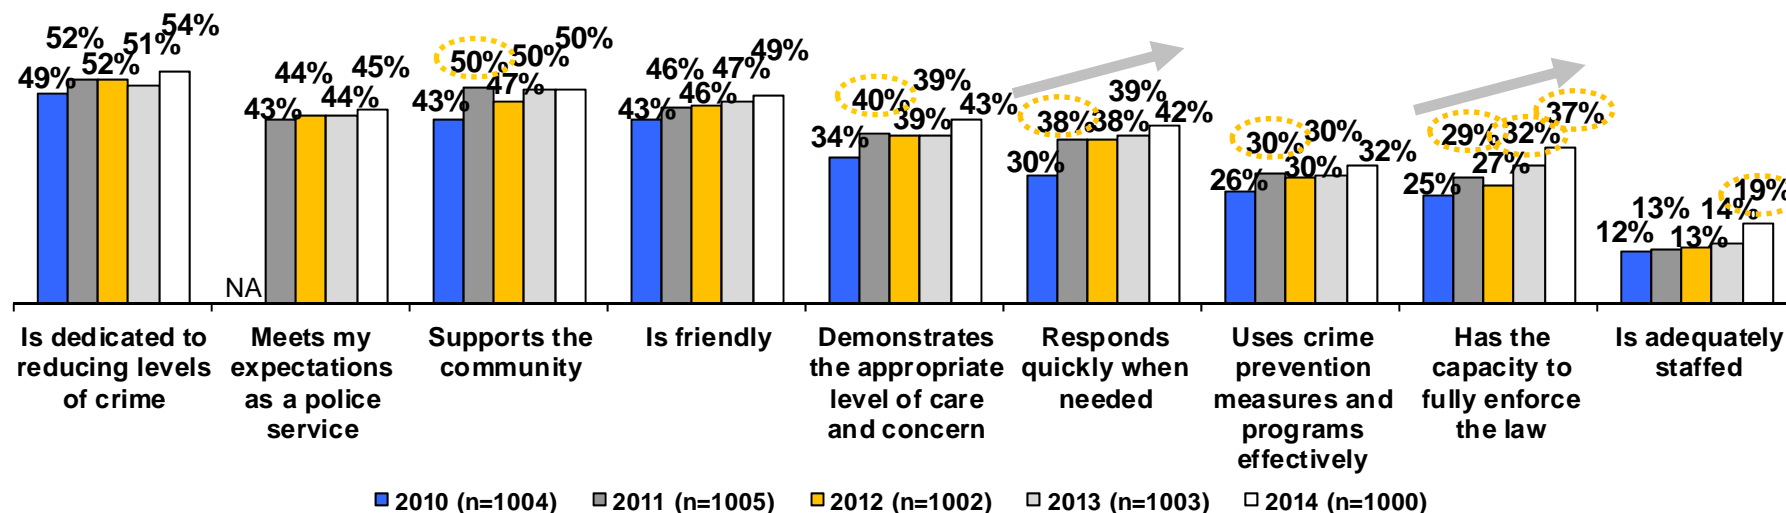

Excludes don't know

Performance of the CPS

Since 2010, there has been a steady increase in the perceptions that the CPS “responds quickly when needed” and “has the capacity to fully enforce the law.”

Top Box Scores (9-10) – CPS Performance
(See Appendix D for full distribution of scores)

Denotes statistically higher than the previous year
Denotes statistically lower than the previous year

Victimization, Incident Reporting and Contact with the CPS

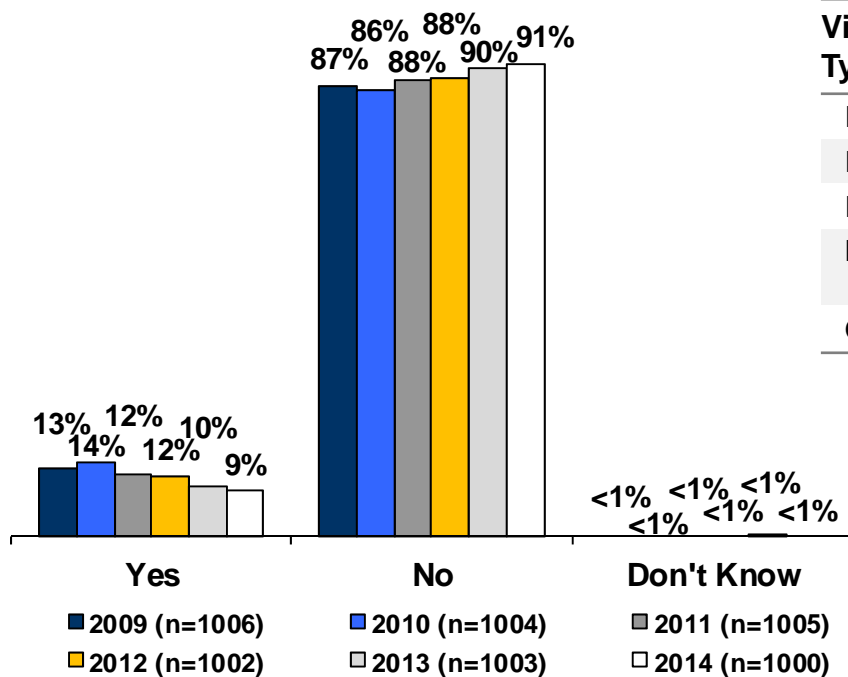

Victimization

Reported incidents of being a victim of crime have dropped slightly since 2012; however, person crimes are at their highest reported rate since 2009.

Victim of Crime

Victimization: Type of Crime	2009 n=126	2010 n=140	2011 n=120	2012 n=116	2013 n=96	2014 n=87
Property Crime	83%	79%	84%	88%	86%	80%
Person Crime	10%	6%	7%	3%	9%	11%
Fraud/Identity Theft	2%	8%	6%	8%	2%	3%
Both Property and Person Crime	4%	3%	1%	-	2%	2%
Other	N/A	N/A	N/A	1%	N/A	1%

Denotes statistically higher than the previous year

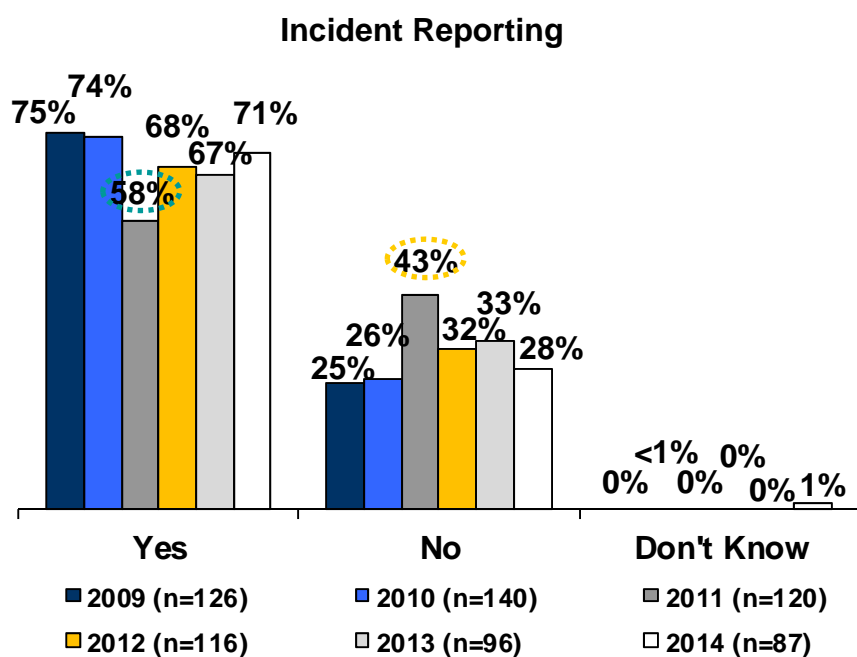

Denotes statistically lower than the previous year

Incident Reporting

Similar to previous years, “did not want to bother police” continues to be the primary reason citizens do not report crimes.

Reasons for NOT Reporting to Police (Total Mentions)	2009 n=32	2010 n=36	2011 n=51	2012 n=37	2013 n=32	2014 n=24
Did not want to bother police	66%	44%	51%	65%	47%	58%
I felt that the police could not do anything anyway	13%	22%	29%	22%	25%	25%
I dealt with it in another way	9%	8%	14%	19%	13%	13%
Personal matter/did not feel comfortable discussing	0%	3%	4%	11%	0%	8%
Did not want incident to affect insurance rates	0%	8%	2%	5%	0%	4%
Fear of revenge by offender	3%	0%	0%	0%	0%	4%
Don't know	0%	11%	0%	0%	0%	0%
Other	3%	3%	8%	3%	13%	4%

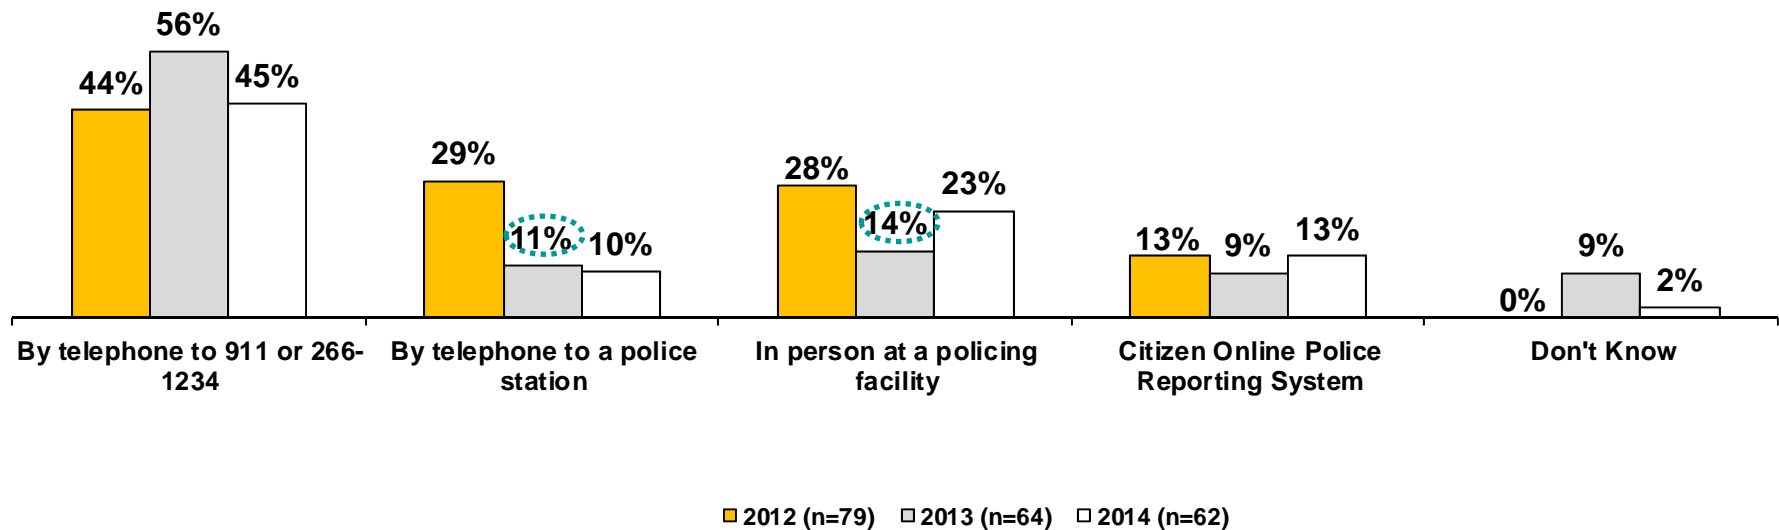

Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

Method of Incident Reporting

Reporting incidents by telephone using 911 or 266-1234 is the most common method of incident reporting.

Manner of Reporting Incident

Denotes statistically higher than the previous year

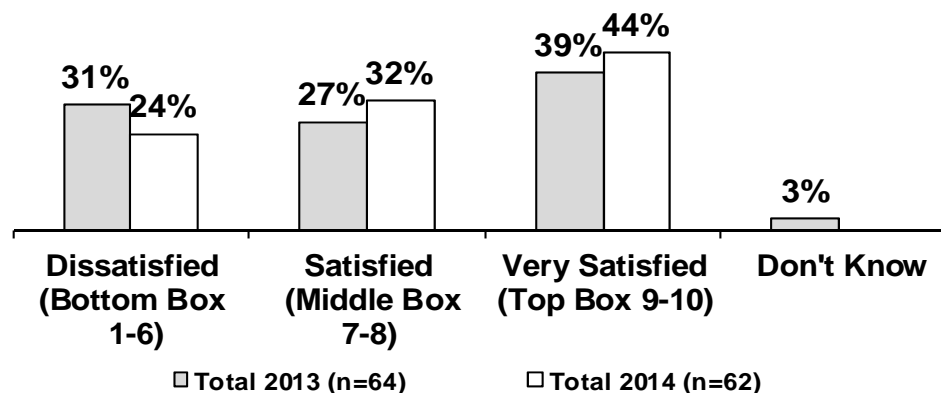

Denotes statistically lower than the previous year

Satisfaction – Reporting Process

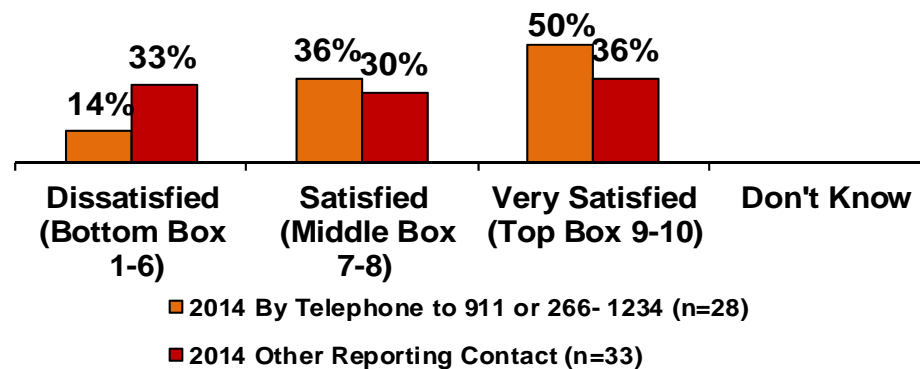

Just over four in ten citizens were “very satisfied” with the incident reporting process.

Satisfaction with Reporting Process by Year

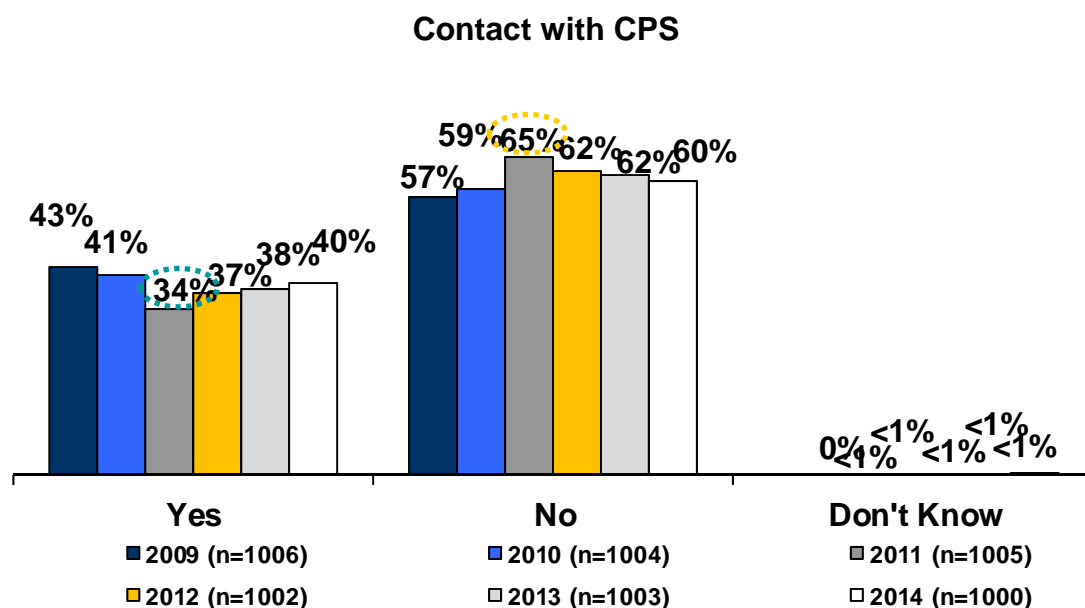

2014 Satisfaction with Reporting Process by Type of Contact

Contact with CPS

Citizen contact with the Calgary Police Service has increased steadily since 2011.

Type of Contact with CPS	2013 n=382	2014 n=396
Telephone contact	44%	38%
In-person contact	51%	58%
Not sure / Don't know	5%	4%

- Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

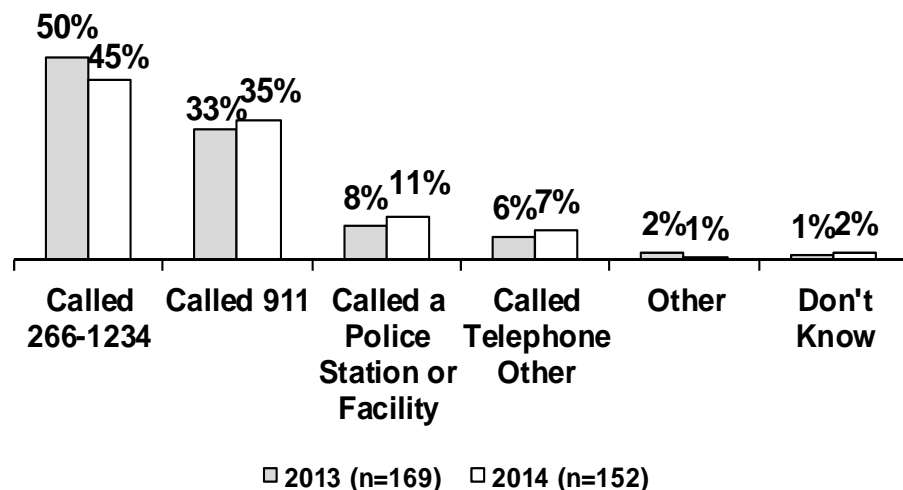

- E1. In the past 12 months have you had any contact either on the telephone or in-person with an Officer or other on-duty employee of the Calgary Police Service? This does not include parking control people or receiving a speeding ticket in the mail unless you made a follow-up phone call.
- E5. Thinking only about the last contact you had, did you call the Calgary Police Service?
- E10. Thinking only about the last contact you had, did you have contact in-person with an Officer or other on-duty employee of the Calgary Police Service?

Telephone Contact

There is a notable increase in citizens who contacted the CPS primarily to file a non-emergency or community concern or complaint.

Type of Telephone Contact

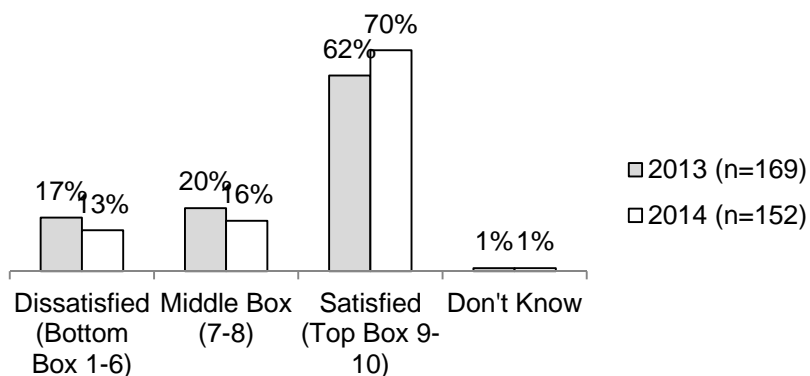

Reason for Contact	2013 n=169	2014 n=152
To file a non-emergency or community concern/ complaint	5%	22%
To report suspicious activity	17%	15%
To report a crime being committed	20%	14%
To report a crime that had already taken place	16%	13%
To report a traffic accident	12%	9%
To report a non-crime related emergency	8%	5%
To report a drunk driver	2%	5%
To provide information for an investigation	2%	3%
To ask a question regarding police (e.g. facility locations, hours, etc.)	3%	2%
To receive follow-up on an investigation	1%	2%
To ask about a ticket received (either in the mail or in person)	3%	1%
To report a noise complaint	2%	1%
To ask a crime-related question	1%	1%
To ask about programs and events related to the police	1%	--
Other	4%	7%
Don't Know	2%	--

Satisfaction – Telephone Contact

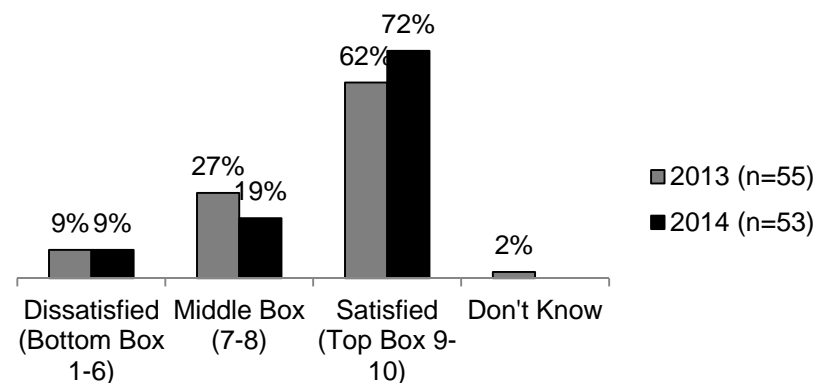

Overall satisfaction for those who dialed 266-1234 or 911 is very high.

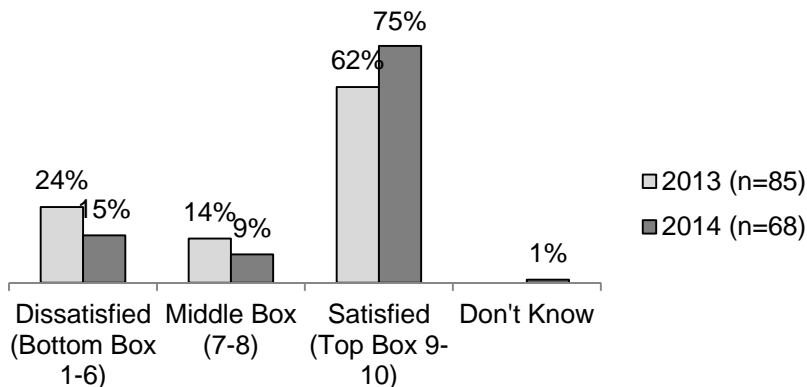

**Satisfaction with Telephone Contact
Total**

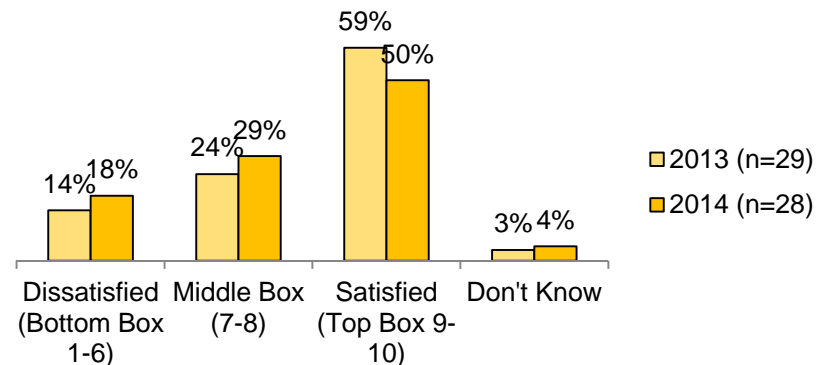

**Satisfaction with Telephone Contact
Called 911**

**Satisfaction with Telephone Contact
Called 266-1234**

**Satisfaction with Telephone Contact
Called Other**

In-Person Contact with CPS

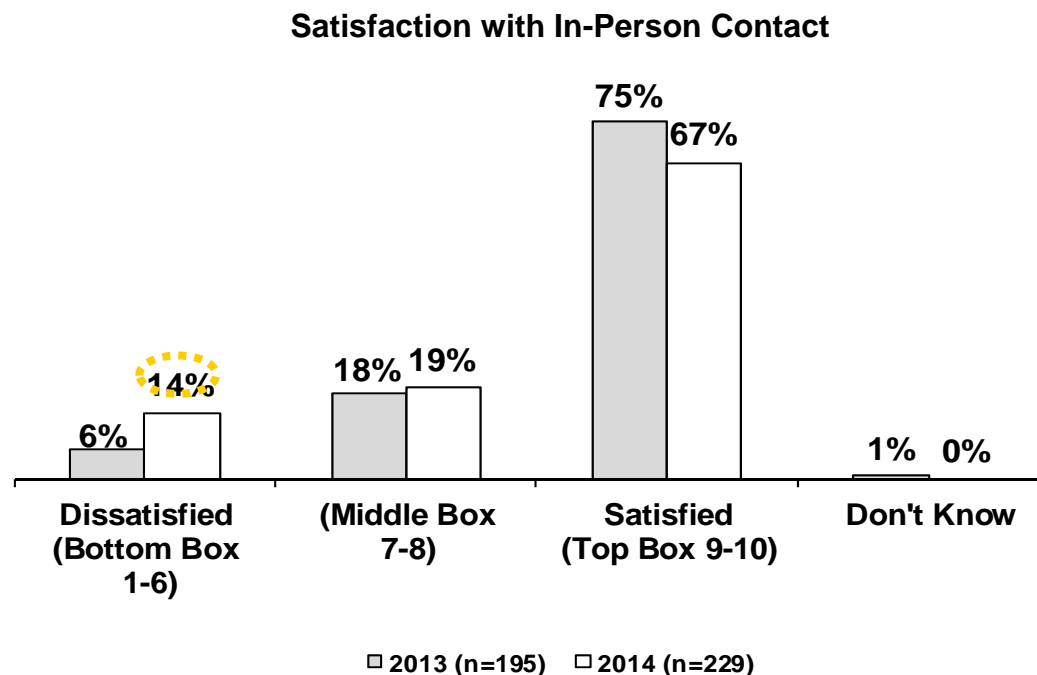

Over one-quarter of in-person contact was when an officer was dispatched or performing a follow-up investigation.

Type of In-Person Contact	2013 n=195	2014 n=229
Officer dispatched/follow-up investigation (respondent initiated call; personal contact/interaction)	25%	29%
Went to police facility (e.g. District office, police offices or kiosks in malls, headquarters downtown)	17%	22%
Stopped because of traffic violation	8%	14%
Spoke with an officer on the street (e.g. asked officer for information)	12%	12%
Witnessed or was involved in a traffic accident where officer dispatched (respondent did not initiate call; personal contact/interaction)	11%	7%
Attended a community meeting, crime prevention or educational program, or police presentation	10%	6%
Professional / social capacity (general)	9%	5%
Encountered a check stop	2%	2%
Charged by a police officer	--	1%
For a criminal record check / clearance	2%	<1%
Other	2%	3%
Don't Know	2%	<1%

Satisfaction – In-Person Contact

Satisfaction with in-person contact dropped slightly in 2014.

 Denotes statistically higher than the previous year
 Denotes statistically lower than the previous year

Reasons for Satisfaction

The majority of citizens were provided the services they wanted during their last contact with the CPS.

NEW

Were You Provided the Services You Wanted?	2014 n=381
Yes	83%
No	13%
Don't Know	4%

Appendix A - Research Methodology

Sample Distribution

Sample Distribution

City of Calgary residents 18 years of age or older

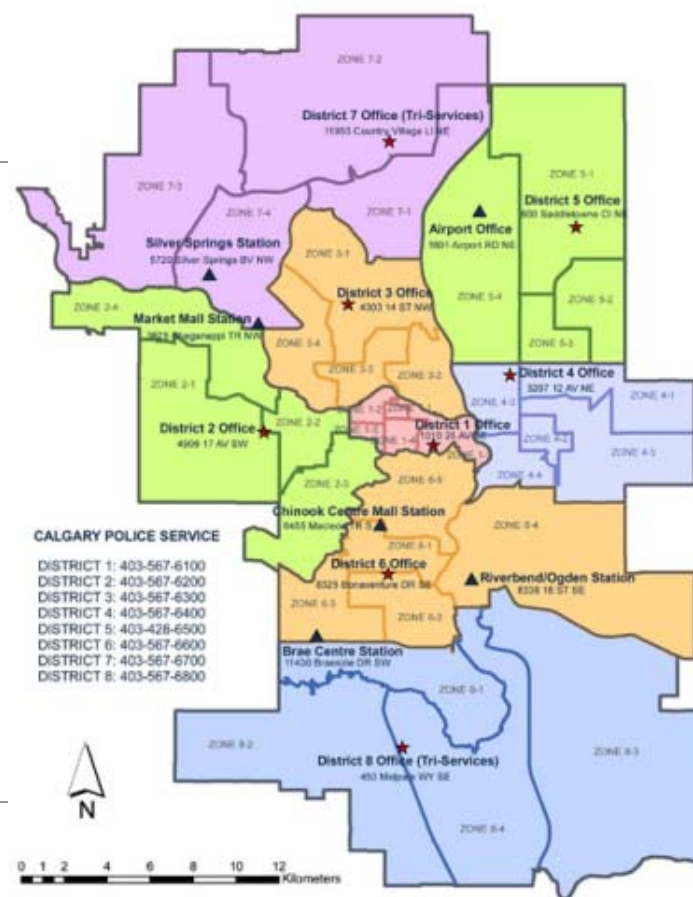

Data collected proportionate to the population of CPS District Locations

District Location	% of City of Calgary Population	n
District 1	9%	88
District 2	16%	160
District 3	11%	105
District 4	8%	79
District 5	10%	104
District 6	9%	87
District 7	17%	171
District 8	21%	206
Total	100%	1000

Methodology Change in 2014

Fewer Calgarians have a landline telephone, especially younger age groups. In 2014, the sample was divided between landline (n=700) and cellphone (n=300) numbers to reach younger demographic groups.

This change in methodology does not impact comparability to previous years data.

How to Read This Report

Reporting of Results

This report contains the results of the 2014 Citizen Survey conducted by Illumina Research Partners on behalf of the Calgary Police Commission. Where possible, results from the 2009 (n=1,006), 2010 (n=1,004), 2011 (n=1,005) 2012 (n=1,002) and 2013 (n=1,003) Calgary Police Commission Citizen Surveys have been incorporated.

Indicates that tracking is not available due to changes in wording/coding.

Indicates that tracking is not available because a question is new for 2014.

Indicating Significance

Differences in results that are statistically significant (95% confidence) are denoted by the following symbols.

Indicates significantly higher than the previous year of citizen results.

Indicates significantly lower than the previous year of citizen results.

Indicates a notable positive or negative trend since 2008 (not a signifier of significance).

Margin of Error

It is important to remember that when results are analyzed within each segment, the margin of error becomes larger due to smaller sample sizes. The table to the right indicates the relative margin of error expected for smaller sample sizes at the 95% confidence level.

Some graphs will not show results equal to 100%; in those cases, this is due to the reported numbers being rounded or to the remainder of the sample having responded “Don’t Know/Refused.”

Unless otherwise stated, noted results are presented on the total sample of Calgary residents.

Sample Sizes	Margin of Error (+/-)
50	13.9
100	9.8
200	6.9
400	4.9
600	4.0
800	3.5
1,000	3.1

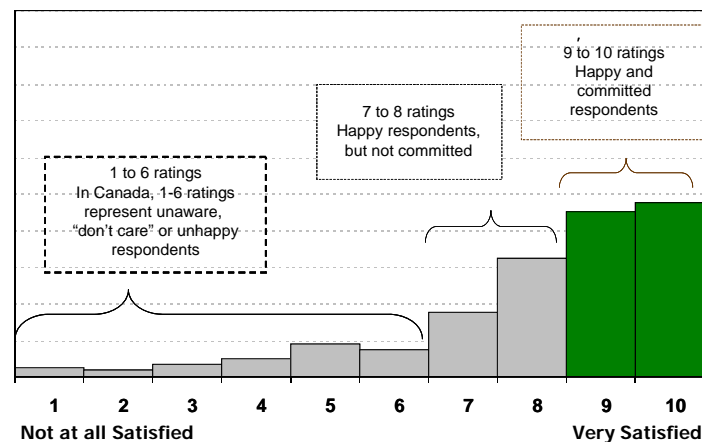

Top Box Reporting

Scale	Throughout the survey, rating scales of 1 to 10 are used. Unless otherwise noted, rating scales represent: 1=strongly disagree, 10=strongly agree.
--------------	--

Top Box Results	Top box results (% of 9 and 10 ratings) are recommended and used rather than mean scores or as a supplement to mean scores. Top box ratings are the best-in-class standard in performance tracking; the most relevant measure for tracking true satisfaction.
------------------------	---

- Research has shown that top box ratings (% of 9 and 10 ratings) are awarded by individuals who have very strong, positive opinions. They are the most satisfied and least likely to change their opinions.
- By collapsing the value ranges into a “top box”, research results become more focused.

"Increasing mean satisfaction is strategically different than increasing the percentage of delighted customers and employees."

*Steve Kirn, VP, Innovation and Organization Development
Sears Roebuck and Co.*

Appendix C – CPPI Calculation

Calgary Police Perception Index (CPPI)

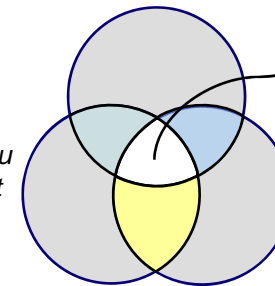

The Calgary Police Perception Index (CPPI) provides a single, overall measure of the CPS's reputation. The index uses three key reputation measures to profile citizens overall opinions of the CPS. The questions used are illustrated in the diagram to the right. Advanced analytics were used in developing the CPPI to capture the three measures which represent the strongest combination of factors.

The CPPI is used to represent a top level picture of the CPS's reputation. It provides a single measure to compare resident perceptions of CPS between key demographic groups and to track over time to identify changes in community perceptions.

"To what extent do you agree or disagree that the Calgary Police Service Officers are competent in their duties?"

"To what extent do you agree or disagree that the Calgary Police Service provides an adequate amount or level of service to the public?"

CPPI

"Taking into consideration all of the different aspects of the Police and the services provided, how would you rate the Calgary Police overall?"

Calculation of the Calgary Police Perception Index (CPPI)

	<div style="display: flex; align-items: center;"> ← → </div>		
	Low		High
Officer Competence	1-6	7-8	9-10
Level of Service	1-6	7-8	9-10
Overall Rating	1-6	7-8	9-10

The CPPI is calculated as follows: each individual's score from the 3 component questions are combined and divided by the total number of questions. This results in an index score for Calgary Police Perception.

A. INTRODUCTION AND SCREENING

Hello, I'm _____ from Illumina Research Partners, a marketing research company. We are conducting an important study on behalf of the Calgary Police Commission and would like to ask your opinion about the Calgary Police Service. Before we begin please note that this call may be monitored for quality assurance purposes.

[IF CALLING LANDLINE] Your household has been randomly dialed to participate in the study and all information collected will be kept completely anonymous. For this study, may I please speak to the (ALTERNATE: male/female) in your household who is 18 years of age or older and who is having the next birthday?

[IF CALLING CELLPHONE] You have been randomly dialed to participate in the study and all information collected will be kept completely anonymous.

CS1. Have I reached you on your cell phone?

Yes 1 CONTINUE
No 2 GO TO INTRO

CS3. Are you in a place where you can safely talk on the phone and answer my questions?

Yes 1 GO TO INTRO
No 2 CONTINUE

Illumina Research Partners

1

CPC CITIZEN SURVEY 2014

CS2. Are you 18 years of age or older?

Yes 1 CONTINUE
No 2 THANK/DISCONTINUE

CS4. When would it be more convenient for me to call back?

Schedule call-back if possible (time/day/phone#): _____

If asked: The survey will take approximately 15 to 20 minutes. To confirm that the study is authorized by the CPC call 403-428-8914 or visit the Calgary Police Commission website at www.calgarypolicecommission.ca. This survey has been registered with the Market Research and Intelligence Association to allow the public to verify the legitimacy of the research. The registration system's toll free telephone number is 1-800-554-9996. If follow-up is required with Illumina please contact Carrie Fischer at 403-802-4300.

Reintroduce yourself if necessary and continue with screening

Record Language 1 – English
2 – Other (Specify _____)

Illumina Research Partners

2

Questionnaire

CPC CITIZEN SURVEY 2014

A1. Are you or anyone in your household currently employed by the Calgary Police Service?

- 1 - Yes Thank and end
2 - No

A2. In what year were you born?

____ Record year
99 - DK/NA

[PLEASE PROGRAM THE FOLLOWING INTO CATI, BUT DO NOT USE UNLESS DIRECTED BY ILLUMINA]
[IF RESPONDENT IS 55+, ASK:]

How many people in your household, including yourself, fall into the following age categories?

- a. 18-34 ____
b. 35-54 ____
c. 55+ ____

[IF 18-34 RESIDES IN HOUSEHOLD, READ:]

May I please speak to a 18-34 year old member of your household. Is this person available?

[IF YES - SPEAK TO PERSON AND REPEAT INTRODUCTION]

[IF NO -]

When would this person be available?

[ARRANGE CALLBACK. WHEN ARRANGING CALLBACK, ASK:]

May I have the name of this person? And what is your name?

[IF NO 18-34 AND THERE IS 35-54 RESIDING IN HOUSEHOLD, READ:]

May I speak to a 35-54 year old member of your household? Is this person available?

[IF YES - SPEAK TO PERSON AND REPEAT INTRODUCTION]

[IF NO -]

When would this person be available?

[ARRANGE CALLBACK. WHEN ARRANGING CALLBACK, ASK:]

May I have the name of this person? And what is your name?

[IF NO 18-34 OR 35-54 IN HOUSEHOLD, CONTINUE WITH SURVEY]

Illumina Research Partners

3

CPC CITIZEN SURVEY 2014

A3. Respondent is: [Do not ask. Watch quotas]

- 1 - Male } 50 - 50
2 - Female } Watch split by CPS District boundary

A4. To ensure we have proper geographic representation from across all of Calgary, what is your home postal code?

____ RECORD POSTAL CODE
99 - DK/NA

POSTAL CODE SHOULD MATCH THE SAMPLE INFO. IF NOT, MAKE APPROPRIATE CORRECTIONS TO THE CASE AND CONTINUE - MUST BE IN CITY OF CALGARY LIMITS

IF SAMPLE CONTAINS NO POSTAL CODE, AND RESPONDENT REFUSES TO PROVIDE INFORMATION - THANK AND TERMINATE

DASH NOTE: IF NEW FSA IS ENTERED BE SURE IT IS STILL IN THE CITY OF CALGARY LIMITS

A5. Also, what is the name of the community where you live?

Illumina Research Partners

4

Questionnaire

CPC CITIZEN SURVEY 2014

B. OVERALL PERCEPTIONS OF SAFETY/CRIME

City of Calgary Perspective

B1. To begin, would you say you strongly agree, somewhat agree, somewhat disagree or strongly disagree with the statement that "Calgary is a safe city to live in"?

- 1 – Strongly agree
- 2 – Somewhat agree
- 3 – Somewhat disagree
- 4 – Strongly disagree
- 99 – DK

B2. Thinking about the last 12 months, in your opinion are crime rates in Calgary increasing, decreasing, or staying the same?

- 1 - Crime rates are increasing
- 2 - Crime rates are decreasing
- 3 - Crime rates are staying the same
- DO NOT READ
- 99 – DK

B3a. Considering the City of Calgary as a whole, what would you say is the safety or crime issue of greatest concern to you, if any? [Do not read. Allow one response only.]

H. DEMOGRAPHICS

[Read]

And finally, I'd like to ask you some questions about you and your household. Please be assured that all your responses will be kept entirely anonymous and absolutely confidential.

H1. Do you primarily work in the City's downtown core, Beltline area or East Village? [Do not read list]

[Geographic definitions available on page 13 if needed]

- 1 – Yes - City downtown core
- 2 – Yes - Beltline
- 3 – Yes - East Village

Illumina Research Partners

13

CPC CITIZEN SURVEY 2014

- 4 – No – other location (including home office)
- 5 – Not currently employed
- 99 – DK

H2. Including yourself, how many people in each of the following age groups live in your household? How many are...? (Read list. Record actual number)

- 1. Under 13 years old
- 2. Between 13 and 18 years old
- 3. Between 19 and 44 years old
- 4. Between 45 and 64 years old
- 5. 65 years of age or older
- 99 – DK/Refused

14

Questionnaire

CPC CITIZEN SURVEY 2014

H5. PERMISSION QUESTION

Thank you very much for participating in this survey. Your opinions have been very helpful. Please remember we keep all responses confidential. Should we have any follow up questions on this specific survey only, would it be alright if we re-contacted you?

- 1 - Give permission
- 2 - DO NOT Give Permission

That is all of the questions I have. On behalf of the Calgary Police Commission thank you for your time.

Downtown boundaries, for clarification of question H1 if respondents ask for boundary information:

Downtown Core: Bow River to the North, 9th Ave S/train tracks to the South, West to 14th Street W and East to 3rd Street E

Beltline: 10th Ave S/train tracks to the North, 17th Ave S to the South, West to 14th Street W and East to the Elbow River

East Village: Bow River to the North, 9th Ave S /train tracks to the South, West to 3rd Street E and East to the Elbow River

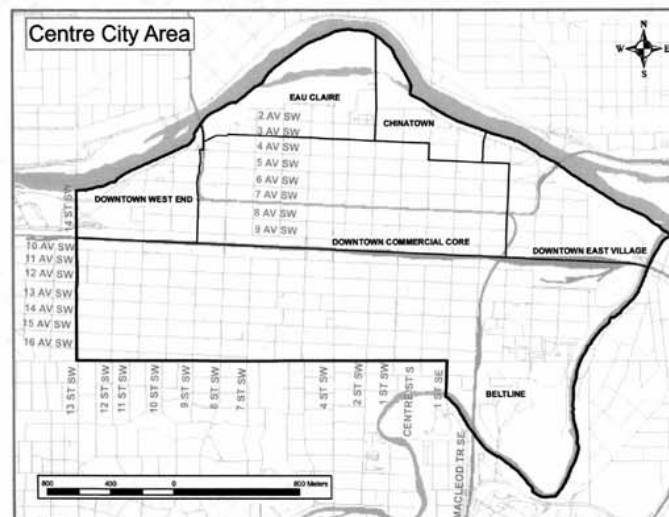

Comments:

- The beltline runs past MacLeod Trail across the Stampede grounds and technically this includes the Elbow River Casino, which lies south of 17th, south to the Elbow and across the entire Stampede Grounds.
- Technically there is a snippet added onto the east village at 4th Ave and Macleod, up to the Bow River, which means the corresponding area is cut out of the downtown core
- You'll see on the attached map that the downtown core includes the Westend, Eau Claire and Chinatown.
