- 7 Public Members
- 2 Members of Council
- 1 Administration Member

ANNUAL UPDATE & KEY ACCOMPLISHMENTS

- Fundraise and provide Smithbilt Hats to each member of the Ships Company. Continued evolution of the Committee's Terms of Reference.
- HMCS Calgary Hoe Down
- Continued work toward establishing a Calgary centric Canadian Leaders at Sea (CLaS) program
- HMCS Calgary is about to enter an extended work period for the next 18 months.

WORKPLAN FOR THE NEXT YEAR

- Our attached business plan outlines our major goals for the 22/23 period and is subject to periodic review.

OPERATIONS

- The committee continues to meet remotely on a monthly basis, a number of sub-committees have been struck specifically in the areas of events and fundraising.
- Public participation has been by invitation only as this committee continues to lack the ability to live stream.
- Moving from Pandemic to Endemic protocols should see an opportunity for the committee to meet in the municipal complex in a manner that permits either live streaming or in person viewing for better transparency and inclusive participation.

Date: 15 March 2021

Background

The Friends of HMCS Calgary Committee (FHCC) was established in late 2020 and began meeting and planning in early 2021. As a new committee, there are only recommended responsibilities and no other established processes or procedures.

Executive Summary

With the ongoing Covid-19 restrictions and the recent establishment of the FHCC, the focus for the 2021 Business Plan will be on planning and the formation of key relationships with stakeholders. As HMCS Calgary is operationally deployed, the FHCC will also place emphasis on the support to the ship and crew where possible and a subsequent welcome home. The conclusion of 2021 will see a Committee planning session which will culminate in the completion of a Business Plan for 2022 which will be prepare the committee for the easing of Covid-19 restrictions and the return to full operations.
