## Community Outreach for Planning & Development Applicant-led Outreach Summary

### What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

All were supportive and wanted to see development in the area. A few were concerned with what the property was going to be developed into and did not want a nightclub or pawnshop. I assured that this was not what we would be aiming for and that we would be looking at something that would benefit the community.

### How did you close the loop with stakeholders?
