

Proposed amendments to Bylaw 14P2015, as referred to Administration to be brought forward in conjunction with second and third readings

In order to implement *Secondary Suites* as discretionary uses rather than permitted uses in R-C1 and R-C1L districts of wards 7, 8, 9, and 11, the following changes would be needed to the amending Bylaw 14P2015. These changes were proposed during the 2015 May 12 Council meeting and were referred to Administration to be brought forward in conjunction with second and third readings of Bylaw 14P2015.

These changes delete *Secondary Suite* from being listed as a permitted use, and add it as a discretionary use in R-C1 and R-C1L districts in Suites Area 1 (equivalent to wards 7, 8, 9, and 11).
