- Strategic Alignment to Council's Citizen Priorities: A well-run city
- Background and Previous Council Direction is included as Attachment 1.

This report and its various attachments support the social, environmental, and economic pillars of the Triple Bottom Line Policy, as well as supporting policies and strategies (i.e., Social Wellbeing Policy, Environmental Policy, Calgary in the New Economy Strategy, Resilient Calgary Strategy, etc.) through its focus on Council's priority of a well-run city. A well-run city, as described through the 2019-22 One Calgary Service Plans & Budgets, is "a modern and efficient municipal government that is focused on resilience and continuous improvement to make life better every day for Calgarians by learning from citizens, partners, and others." The successful development and execution of the Triple Bottom Line Policy and other policies and strategies is supported by a well-run organization that has a collective focus on shared priorities and objectives between Council and Administration.
