Community Outreach on Planning & Development
Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: M-Tech Building

Did you conduct community outreach on your application? ☑ YES or ☐ NO

If no, please provide your rationale for why you did not conduct outreach.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

For public engagement, QuantumPlace has contacted the Beltline Neighbourhood Association to inform them of our intent to submit a land use redesignation application. We have detailed that the land use redesignation is to provide flexibility for the tenancy of the building but will not result in any alterations to the exterior of the building. We have offered to meet with the Association should they feel it is necessary. The Neighbourhood Association replied back that they are in support of application. QuantumPlace also created an online platform for the land use application to receive feedback. The link for the platform was shared with the Beltline Neighbourhood Association to be circulated to their members.
The City notice posting was also installed on the site, with the applicant's contact information.
After amending the proposed land use to Direct Control District as per Administration's recomendation, another email was sent to the Beltline Neighbourhood Association to keep them posted about the recent changes in the application. +

Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)

We have emailed the Planning Comittee of the Beltline Neighbourhood Association about the application. As per the recieved response, the Beltline Neighbourhood Association is in support of the application and find it a logical proposal.

An online platform (venue) was also created and the link was shared to the Beltline Neighbourhood Association.

The City notice posting was also installed on the site with contact information provided.
