Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

Due to recent health measures regarding COVID-19, we have revised our strategy for conducting outreach within the community during this time. Our primary outreach strategy is to place sign at street level on the property where it is clearly visible; on the sign is a quick summary of the proposed re-designation, as well as our company's contact information. This will be done in lieu of dropping off cards where close contact with other individuals is more likely- this is done as a precaution to COVID 19. Any individuals within the neighborhood will be able to contact us via phone/e-mail accordingly. From the latest sign posting, we were able to garnish 3 support letters.
