

Public Engagement – Objectives

1. To inform Calgarians about the challenges faced by The City today relative to transportation infrastructure costs and available funding.
2. To obtain feedback from Calgarians regarding the shortlisted funding mechanisms, including:
 - Impacts to specific user groups (demographic; spatial)
 - Willingness to pay (could vary by infrastructure type)
 - Preferred mechanisms
 - Conditions of support (e.g. *if completed in X years*)

Public Engagement – Proposed Activities

ADMINISTRATION

Host a series of public roundtable discussions throughout Calgary

Conduct citizen surveys

Participate in public events

Report findings

3rd PARTY STAKEHOLDERS
