As the neighboring landowner, as well as developer of the master-planned community of Seton, Brookfield Residential is in full support of the proposed land use redesignation located at 3790 Seton Drive SE (Plan 141714, Block 7, Lot 3) from Special Purpose - City and Regional Infrastructure (S-CRI) District to Multi-Residential - Medium Profile (M-2) District, as being proposed by the applicant. The proposed land use designation will allow the proposed built-forms to interact well with existing and planned development in the surrounding area. In addition, Brookfield Residential is proud to have this proposed affordable housing project in the community of Seton and is very confident it will contribute to the vibrancy of the area and help provide affordable housing solutions to all Calgarians.
