DISCUSSION

This land use amendment was submitted on 2020 August 05 by Ground Cubed on behalf of the landowners, Theresa Wright and Richard Wyman. The Applicant's Submission (Attachment 3) indicates the intention for adaptive reuse of the existing commercial building by allowing for additional commercial uses along with potential future redevelopment for the site.

This 0.02 hectare site, in the southeast community of Ramsay, is located one parcel east of Spiller Road SE on 23 Avenue SE. Previously, the building, which had been used by local retail businesses is currently vacant. The proposed DC Direct Control District (Attachment 2) supports the adaptive reuse of the existing building with additional commercial uses intended to serve the local community while providing future redevelopment opportunities.

No development permit has been submitted at this time.
