## Delivering Modern and Affordable Municipal Services in an Environment of Economic Constraint

On 2019 July 29, Council unanimously directed Administration to release a Request for Qualifications to seek proposals from external experts about services available to assist Council and Administration with:

- a. Delivering on Citizen Priorities and Council Directives within an environment of economic constraint;
- b. Mechanisms for reducing the cost of delivering municipal services while taking into account Administrative initiatives and projects already underway and intended to contribute to this objective;
- c. Capitalizing on revenue generating opportunities available to The City; and
- d. Developing solid business cases for short and longer-term efficiencies across the Corporation that advance the achievement of Citizen Priorities and Council Directives within an environment of economic constraint.
