To whom it may concern,

Re: Application for land use amendment
LOC2014-0174
Legal Description 9712612; 5; 42

I have received notification of the proposed land use amendment for 207 Coral Springs Landing NE Calgary.

I would like to make it known that I support this proposed land use change to allow the Tremblay family to accommodate housing for their aging mother.

Thank you,
