Hi Lisa

This is what I sent:

Good Morning Councillor Sutherland

I am sending this email on behalf of the Bowness Planning and Development Committee and the Bowness Community Association which the committee represents.

We are in support of Hillhurst Sunnyside Community Association (HSCA) request to refuse approval of DP 2015-053.

Community Association volunteers and residents spend considerable time and energy working on local neighbourhood policy documents including Area Redevelopment Plans of which Hillhurst Sunnyside Community has.

Such documents are held out by City Administration and by Ward Councillors as guidelines to protect community character while accommodating growth.

All communities will lose if city council passes applications that are dramatically in opposition to these policy documents

Please uphold our neighbourhood ARP's.

Thank you for your consideration in this important matter.
