Community Outreach on Planning & Development Applicant-led Outreach Summary

Please complete this form and include with your application submission.

Project name: Capitol Hill Lofts - 1508 & 1502 22 Avenue NW

Did you conduct community outreach on your application? YES or NO

If no, please provide your rationale for why you did not conduct outreach.

Outreach Strategy

Provide an overview of your outreach strategy, summary of tactics and techniques you undertook (Include dates, locations, # of participants and any other relevant details)

We wrote a letter and dropped off the letter January 21, 2022 to those surrounding neighbouring properties to all quadrants from the property. We received one letter of support as a result of the letter drops.

The community association of Capitol Hill was contacted on February 2, 2022 and supplied with the same rezoning letter that was dropped off to neighbours. The community association did not respond to the email.

A rezone application sign was installed on the corner of 14th Street and 22 Avenue NW

Stakeholders

Who did you connect with in your outreach program? List all stakeholder groups you connected with. (Please do not include individual names)

Neighbouring properties and the community association.

Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

We received one letter in support of the rezone application.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

We received one letter of support, therefore we are continuing forward with the MC-1 rezone application.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

We have not yet reached out to the stakeholder who provided support. Once we move forward with the application we intend on providing them with an update of our application.
