**PUBLIC HEARING OF CALGARY CITY COUNCIL APRIL 13, 2015  
REQUEST FROM VARSITY COMMUNITY ASSOCIATION TO  
TABLE AGENDA ITEM 7.12 LAND USE AMENDMENT, VARSITY  
(WARD 1), VARSITY ESTATES DRIVE NW AND CROWCHILD  
TRAIL NW, BYLAW44D2015, CPC2015-046**

Dear Councillor Sutherland,

Due to the sudden passing of a family member I am unable to attend the Public Hearing of Council and present on behalf of the Varsity Community Association as I will be traveling to Langenburg Saskatchewan for the funeral.

As the Chair of the Varsity Civic Affairs Committee since 1999 and the Director of Civic Affairs on the Varsity Community Association Board of Directors, I have been involved with the Groves of Varsity Land Use Redesignation Applications dating back to 2010 not to mention being heavily involved with the drafting of the Varsity Land Use Study. Other members of the Varsity Civic Affairs Committee that may perhaps be comfortable presenting at the Public Hearing are out of the country at the present time.

In respect of the principles of natural justice and fairness it is important that given the extenuating circumstances, the Varsity Community Association will have another opportunity to be represented at a future Public Hearing of City Council.

On behalf of the Varsity Community Association, I respectfully request that the Applicant, Mayor Nenshi, and Councillors will consider my predicament and vote in support of tabling this matter.

Yours truly,
