2022 September 27

ISC: UNRESTRICTED  
CD2022-1069

**Deferral Request: Richmond Green Project Update Due Q3 2022, to return by Q1 2023**

---

## **RECOMMENDATION:**

In January 2021 (CPC2021-0799), Council directed Administration '*to work with the community and stakeholders to develop a revised plan and program for the expanded park at Richmond Green, returning with an update to the Standing Policy Committee on Community and Protective Services (or its successor committee) no later than Q3 2022*'. The engagement for this project with the aforementioned stakeholders has been performed but the results are not yet available, and these results will inform the report back to council. Administration requests a deferral to report back to Council no later than Q1 2023.

## **RECOMMENDATION OF THE COMMUNITY DEVELOPMENT COMMITTEE, 2022 SEPTEMBER 27:**

That Council approve the deferral request to report back to Council no later than Q1 2023.
