

Background and Previous Council Direction

The property tax bylaw must be prepared in accordance with the Municipal Government Act.

Municipal Government Act, Chapter M-26, RSA 2000, Section 353 - Property tax bylaw:

- (1) Each council must pass a property tax bylaw annually.
- (2) The property tax bylaw authorizes the council to impose a tax in respect of property in the municipality to raise revenue to be used toward the payment of
 - (a) the expenditures and transfers set out in the budget of the municipality, and
 - (b) the requisitions.

Designated Industrial Property

Municipal Government Act sections 326(1)(a)(vi) and 359.3(1) requires that the designated industrial property requisition (set by the Minister), which is the recovery of costs incurred for the preparation of Designated Industrial Property assessments, be included as part of the provincial requisition.

Community Revitalization Levy Rate Bylaw

The City of Calgary Rivers District Community Revitalization Levy Regulation (AR 232/2006) established a community revitalization levy area known as the Rivers District. The Municipal Government Act authorizes a council to pass a bylaw to impose a levy in respect of the incremental assessed value of property in a community revitalization levy area. The levy will raise revenue to be used toward the payment of infrastructure and other costs associated with the redevelopment of property in the community revitalization levy area.

Provincial Requisition

On 2022 February 24, the province released *Budget 2022*. The total education property tax requisition increased by \$27 million or 1.5 per cent in 2022-2023, with Calgary's requisition increasing by \$13 million. The mill rates used to calculate the tax would be adjusted from \$2.56 to \$2.65 and from \$3.76 to \$3.90 per \$1,000 of equalized assessment for residential/farmland and non-residential property respectively.

Context

Council approval is required for the 2022 property tax related bylaws and the Rivers District Community Revitalization Levy Rate Bylaw in order to levy and collect the property taxes used to fund the range of services across The City that Council approved and adopted in the 2022 Adjustments to the One Calgary 2019-2022 Service Plans and Budgets as well as raise revenue to be used toward the payment of infrastructure and other costs associated with redevelopment of property in the Rivers District. The 2022 Budget relies on the property tax as a municipal revenue source, particularly as other revenues are declining due to the measures implemented to contain the spread of COVID-19. The City is also legally required to collect Provincial Property

Tax on behalf of the Provincial Government and is required to pay the provincial requisition quarterly.
