

Development Permit (DP2022-00662) Summary

A development permit application (DP2022-00662) was submitted by Dimension Group on 2022 February 1. The development permit application is for a second storey addition that proposes to enclose the existing rooftop patio space. The development permit is currently on hold pending the approval of the land use amendment application.

The following excerpt (Figure 1) from the development permit submission provide an overview of the proposal and are included for information purposes only. The development permit plans are subject to change through the development review. Administration's review of the development permit will determine the ultimate building design and site layout details such as parking, landscaping, and site access.
