

Development Permit (DP2022-04090) Summary

The proposed development permit is for an outdoor pavilion. The proposed land use amendment will allow the development of the outdoor pavilion as an accessory structure to the existing funeral home use.

The following excerpts (Figures 1 - 2) from the development permit submission provide an overview of the proposal and are included for information purposes only. The development permit plans are subject to change through the development review. Administration's review of the development permit will determine the final pavilion design, and site layout details in consideration of parking, utilities, and access.
