Commissioner Tiedemann	<p>Reasons for Approval</p> <ul style="list-style-type: none">• Very simple R-C1 to R-C2 re-designation mid-block. This application is simply to bring the land use in line for an existing duplex with a secondary suite.
Commissioner Hawryluk	<p>Reasons for Approval</p> <ul style="list-style-type: none">• Council approved a building of this size on this site when it approved the current R-C1 Land Use District. The R-C1 and R-C2 Land Use Districts have the same parcel coverage, setbacks, and heights. In other words, both Land Use Districts allow buildings with the same height, massing, and shadows. <p>The fundamental question about this application is how many front doors and homes this building should have. It was easy for me to support this recommendation for approval.</p>
