Subject: Re: Introducing Apaar Homes's R2734: LOC2022-0033

Hi Zach,

Thanks for getting in touch with the Killarney- Glengarry Community Association (KGCA) regarding your development.

At this time the KGCA does not have any concerns or comments and will maintain the neutral stance we typically have with private development projects.

Thanks again and have a good week!

Alan Slagorsky
President, KGCA
