Subject: Letter of Support for BYLAW 20D2015

This letter is our response to the City Clerk's request for feedback on BYLAW 20D2015.

The undersigned have been neighbours of Pat and Fred Walker, the owners of 920 Canna Crescent, for several years and have found them to be good neighbours who take pride in their home and neighbourhood. We are aware of their plans to develop their basement for a secondary suite and they have eased our concerns over parking by providing off street parking space at the rear of their home.

Their intention is to remain in the home and to maintain the premises well into the future. This allows me to believe that any tenant occupying the home will be well supervised and any concerns I have can be taken to them should they arise. I am in support of their proposal and believe that this secondary suit will be a benefit to the neighbourhood.

Thank you

Property Owner(s) of: 916 Canna Crescent S.W.
