

Development Permit (DP2021-09305) Summary

A development permit application for a multi-use commercial development was submitted by Arup Datta Architect Inc. on 2021 December 23. The development permit application is for a six-building commercial development with surface parking areas. The application was presented to the Urban Design Review Panel on 2022 February 23.

The excerpt from the development permit submission provides an overview of the proposal and are for information purposes only. The development permit plans are subject to change through the development review. Administration's review of the development permit will determine the ultimate building design and site layout details including parking, landscaping and site access.
