Municipal Naming, Sponsorship and Naming Rights Policy (CP2016-01) Requirements: Schedule 1 Requirements for Municipal Naming of Communities and Roadways Section 2 Municipal Naming of Public Roadways

Policy Requirement	Compliant (Y/N)	Comments
2.2.4 Proposed roadway names that are offensive, misleading or otherwise deemed ineffective/unacceptable will not be permitted.	Y	
2.2.5 When naming roadways after individuals: a. The practice shall be to use names of individuals who are retired (and therefore no longer active in their field of expertise) or deceased; and b. Where appropriate, a written consent from the individual or his/her estate shall be obtained.	N/A	
2.2.6 Prefixes within roadway names are generally not permitted, unless integral for theme naming.	N/A	
2.2.7 Abbreviations within roadway names are not permitted.	N/A	
2.2.8 Names containing special characters (non-alphabetic and non-numeric characters), with the exception of a hyphen, are not permitted.	N/A	
2.2.9 Roadway names (not including a roadway type or quadrant identifier) shall not exceed 14 characters in length. Every number, letter, hyphen or space used in a roadway name shall be counted as	N/A	

one character in the 14-characters limit (e.g., 100 Lake Erie Place (13 characters), 16A Street SE (3 characters), Beny-Sur-Mer Road (12 characters)).		
2.2.10 Dual naming of roadways is not normally permitted. However, secondary names may be used on signage in cases of historical, Heritage or community value at the direction of Council.	Y	Proposed secondary roadway names are historical names used in Bowness prior to its annexation by The City of Calgary.
2.2.11 Roadway names consisting of only alphabetic designations are not permitted (e.g., "A Street", "M Street", etc.).	N/A
