

Neighbourhood Streets Policy

June 10, 2022

Recommendations

That the Infrastructure and Planning Committee recommends that Council:

1. Approve the Neighbourhood Streets Policy.
2. Rescind TTP2002-65, C2003-01 Traffic Calming Policy.

Neighbourhood Streets Policy

- Renews balance needed for safe and inclusive communities
- Replaces Calgary’s Traffic Calming Policy
- Partnering and piloting will lead to the best design practices and activation on the 12,000 kilometres that make up Calgary’s Neighbourhood Streets

Pilot Projects to Test Policy

Thank you to Calgarians!

Feedback helped us strengthen many parts of the policy:

- Importance of trees
- Accessibility
- Enforcement and the law
- Climate change
- Maintenance

Implementing the policy requires:

- Intake process
- Prioritization
- Design options
- A culture of experimentation
- Funding
- Evaluation
- Education and encouragement
