<b>Commissioner Tiedemann</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>• The proposed use in the DC (self storage) is a reasonable request given the location of the site and the surrounding uses. The timelines related to the use (10 year maximum with option to extend by 5 years) seem short relative to the capital investment that would be required to get a business of this type started but these details should be sorted out between the applicant and administration.</li></ul>
