CALGARY Sept 27, 2022

To: The office of the City Clerk.

Dear Sir or Madam,

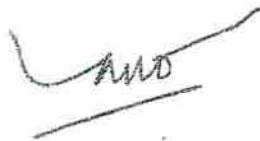

On the matter of Potential changes to the Land Use By Law; we have been living in this safe and sound area for more than twenty years, that is the reason we do not want to change anything to the R-CA District. To us, the safety of people is the first concern that all selected representatives should consider.

More people mean more benefits and more troubles as well. We expect with care you weigh the pros and cons that will effect our life in the long run.

We thank you very much for your time.

We wish you all good health.

Truly yours,

SANG VU
