## NOTICE OF MOTION

CC 661 (R2009-05)

AND WHEREAS Council's 2015-2018 Action Plan "*respond to the needs of an aging population*" is identified as part of "a prosperous city" within the Council's Priorities, an *Age-Friendly City*, however, addresses all Council priorities (a prosperous city, a city of inspiring neighbourhoods, a healthy and green city, a city that moves and a well-run city);

NOW THEREFORE BE IT RESOLVED that City Council commit to Calgary becoming an *Age-Friendly City* upon approval of the Seniors Age-Friendly Strategy in 2015 June,

AND FURTHER BE IT RESOLVED that The City of Calgary seek official designation as an *Age-Friendly City* from the World Health Organization (as we did with our Safe City designation) and the Government of Alberta.
