**RECOMMENDATIONS OF THE CALGARY PLANNING COMMISSION, 2022 SEPTEMBER 15:**

That Council:

1. Give three readings to **Proposed Bylaw 59P2022** for the amendment to the Killarney/Glengarry Area Redevelopment Plan (Attachment 2); and
2. Give three readings to **Proposed Bylaw 156D2022** for the redesignation of 0.06 hectares ± (0.14 acres ±) located at 3003 – 26 Street SW (Plan 5661O, Block 50, Lots 1 and 2) from Direct Control (DC) District to Residential – Grade-Oriented Infill (R-CG) District.

**HIGHLIGHTS**

- This land use amendment seeks to redesignate the subject site to allow for rowhouses in addition to the building types already listed in the existing district (e.g., single detached, semi-detached, duplex dwellings and secondary suites).
- This application would allow for increased density on the subject site that is compatible with the surrounding context and would align with the applicable policies of *Municipal Development Plan* (MDP).
- What does this mean to Calgarians? The proposed Residential – Grade-Oriented Infill (R-CG) District would allow for greater housing options within the community and more efficient use of existing infrastructure and nearby amenities.
- Why does this matter? Greater housing choice may better accommodate the evolving needs of different age groups, lifestyles and demographics in an established community with convenient access to amenities and services.
- An amendment to the *Killarney/Glengarry Area Redevelopment Plan* (ARP) is required to accommodate this proposal.
- No development permit has been submitted at this time.
- There is no previous Council direction regarding this application.
- Strategic Alignment to Council's Citizen Priorities: A city of safe and inspiring neighbourhoods.
