<b>Commissioner Tiedmann</b>	<p>Reasons for Approval</p> <ul style="list-style-type: none"><li>• This file is the exact type of application that the R-CG revisions approved by council yesterday (October 6) were intended to correct/simplify. The applicant should be allowed to proceed with the DC application as submitted, it would be unreasonable to hold the application back until the new bylaw revisions come into effect on January 1, 2023. A land use that will allow for mid-block townhomes in appropriate locations such as this should be supported as they help the city move towards our 50/50 growth targets in a sensitive way.</li></ul>
