Land Use Redesignation Applicant's Submission

Not Including Secondary Suites

PL 1263 (R2017-09)

This form is to be filled out by the applicant and provided to The City of Calgary at the time of submission. These comments are included in a report which is presented to the Calgary Planning Commission and a Public Hearing of City Council. Your comments **must** be limited to the area designated on this form to ensure it will fit the space requirements of the report. Supplementary information can be provided separately in your application if required.

On behalf of the landowner, please accept this application to redesignate a +/-0.041 hectare site from DC95Z2003 to R-C1 so homeowner can apply to legalize their existing basement suite.

The current Direct Control bylaw reference to Bylaw 2P80 which doesn't list basement suites as permitted or discretionary use. Other than this request, all the rest would stay the same as R-C1. So please support this application. Thanks.
