## Calgary FCSS Sustainability Forum Budget Submission

Joe Ceci – Public Policy Manager  
Momentum

Pam Krause – Executive Director  
Calgary Sexual Health Centre

### We appreciate that:

- Administration proposes to maintain FCSS at 30%
- This amount is put forward as base funding
- FCSS funded agencies see this as an important step to secure adequate funding for the increasing difficult social problems they address

### Provincial Advocacy

- Thank you for being open to renewed advocacy efforts to increase provincial FCSS funding
- No increase since 2009
- FCSS funded agencies have seen growth in waiting lists and service demand

 momentum

### Calgary Poverty Reduction Initiative (Enough for All Strategy)

- We look forward to the ongoing support of the CofC on this initiative re: funding
- Momentum looks forward to continuing as a community partner in the strategy
- Pleased to see first steps on payday lending reform
