<b>Commissioner Tiedmann</b>	Reasons for Approval <ul style="list-style-type: none"><li>I have no specific comments on this application from a technical review standpoint but I do support the secondary street name change/addition as it provides direct recognition to Bowness' historical roots.</li></ul>
<b>Commissioner Hawryluk</b>	Reasons for Approval <ul style="list-style-type: none"><li>This application restores secondary street names to some streets in Bowness. Existing primary street names and numbers remain for residents and emergency services to use. It is a simple way for the City to use public space to commemorate history while the Bowness Historical Society pays for the signs.</li></ul>
