Third Reading

Council, at its 2014 September 08 Combined Meeting, gave 3 Readings to Bylaw 94D2014, being a Bylaw of the City of Calgary to Amend the Land Use Bylaw 1P2007 (Land Use Amendment LOC2014-0051).

In the original Bylaw 94D2014 (Direct Control District to accommodate a Beverage Container Drop-Off Depot in Walden), the word 'beverage' was inadvertently replaced with the word 'bottle' and as such, a clerical correction is required.

Proposed corrections have no material effect on the original approved Bylaw 94D2014.
