To Whom it May Concern,

We are applying to redesignate our property (2039 55 AVE SW, Calgary AB) from RC1 to RC2 which would allow up to two units in place of the bi-level that is currently there.

The proposed RC2 represents only a small increase in density while being beneficial to the street by adding value and offering diversity to the large in-fills and row housing currently being built in the neighborhood.

Thank you for your consideration,

Shawna and Brian.
