Being a resident/homeowner very close in proximity to the proposed LAND USE REDESIGNATION - SETON BYLAW 8D2023 (Council meeting to be held January 17, 2023), I am OPPOSED to the redesignation to Mixed Use-General.

1. Parking is very limited - current street parking as observed daily is always full by residents living in the condos along Seton PA SE and Main Street SE. There are already instances of non-conformed parking (ie. too close to stop signs, intersections, fire hydrants) which raises safety issues. I do not believe this area can support more parking, even if there is a parkade (which would be unsightly to the neighbourhood).
2. There is already a large shopping site with grocery stores, services and eateries nearby that are well supported by Seton and neighbouring communities. The addition of more of such businesses would result in these businesses suffering from decreased operations and revenue. As well, the shopping areas of Mahogany and Auburn Bay also provide shops and eateries.
3. There would be disruption to patients who attend the South Health Campus Hospital and medical offices that line Front Street.
4. There is no mention of where the proposed LRT line will go and what plans there are for parking for it.
5. Seton Urban is already a high density area with the YMCA and Joanne Cardinal-Shubert High School.
6. Noise and traffic would be a detriment to the Seton area of community planning and vision.

Thank you,  
Marg Herba
