

# Background and Previous Council Direction

This attachment includes a background on Emergency Management Committee risk engagement and previous Council direction.

## Background

The Emergency Management Bylaw requires the Calgary Emergency Management Agency (CEMA) to provide a Status of Emergency Preparedness Report annually to Emergency Management Committee. This requirement is grounded in Provincial Legislation, including the Alberta Emergency Management Act.

In addition to a Status of Emergency Preparedness Report, two reports and panel presentations are provided each year to allow meaningful conversations and to ensure Emergency Management Committee and Calgarians are well-informed on actions taken to address high risks for Calgary. Reports are received for the corporate record and inform the annual Status of Emergency Preparedness Report.
