Multisport Fieldhouse Update

2023 March 1

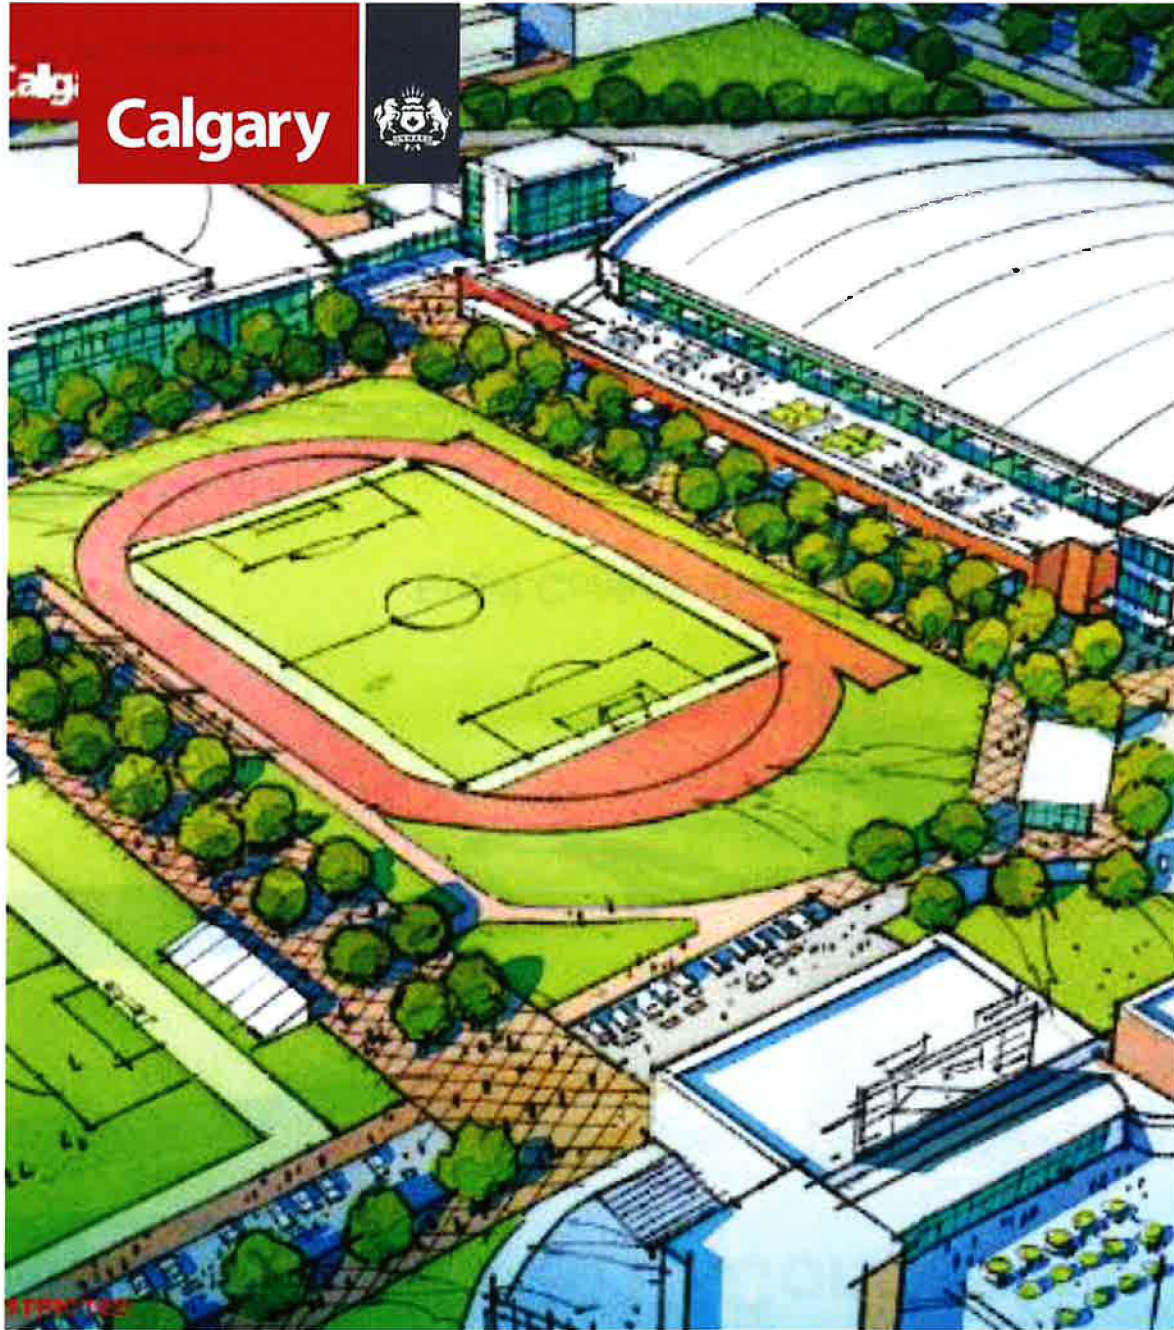

Recommendation

That the Multisport Fieldhouse Committee recommend that Council direct Administration to bring forward amenity refinements that consider the vision, operational and event hosting requirements for the Fieldhouse to the Multisport Fieldhouse Committee in Q2 2023.

History & Need

2010

- fieldhouse with full-size indoor rectangular field
- 400m, 8-lane track + jumping/throwing areas
- permanent seating for 500
- space for seating up to 10,000

Need/Demand

- indoor practice & play space for multiple sports
- meet current & future demand
- competition & training destination

2010 Concept

Community Use Configuration

Event Configuration

Optimization

Programming Space

- Elimination of interference between user groups
- Additional play space for greater diversity of sports

Competition & Events

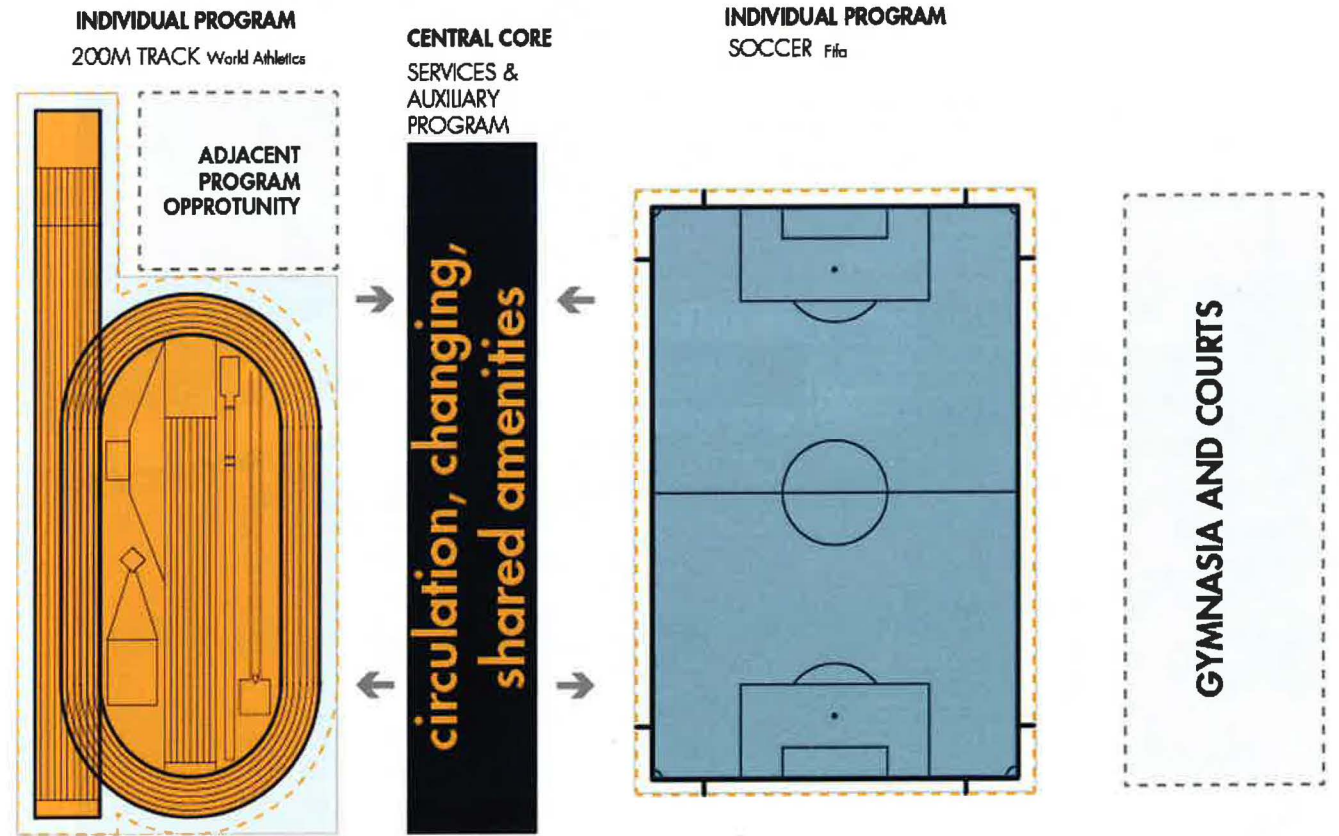

- World Athletics Compliance
- Feature Court
- \$8M to \$21M economic impact for track and field events

User Experience

- Less interference and disruptions
- Continuity and booking confidence
- Enhanced viewing

Operating

- Lower construction & utility costs
- Reduced revenue loss for programming disruptions and maintenance
