

*Dear councilmen and councilwomen, & Mr. Mayor*

**I respectfully submit the following response to Mr. Stocki's complaint letter:**

**Mr Stoki purchased the house on october 1, 2009 and did not take possession until Jan 18, 2010. His claim to be in the house over 30 years is simply unfounded.**

**To further support my claim I have included the attached document.**

**I take issue with Mr. Stocki's complaint about my tenants being messy. The attached recent photo's demonstrate the current condition of his backyard. I am puzzled by his claim given the state of his own property ( please see the attached photos).**

**My closing comment is that Mr. Stocki is always been courteous to me. There have been incidents where his Dog has comes inside our property and he always comes and gets it.**

**Thank you in advance for passing this information onto the council on Monday.**

**Respectfully,**

**Allen Mehri, B.Sc**
