Subject: Land use Re-designation - Road Closure

Re: Land Use Redesignation, Downtown West End, By-Law 115D2014
Road Closure - Downtown West End, By-Law-14C2014

Dear Sirs

We are the owners of Unit 1005, 1100-8th Ave SW, (Westmount Place), Calgary, Alberta and hereby would like to state our objection to the proposed changes as stated in the application mentioned above.

We object to these changes on the grounds that not enough information has been made available to determine just exactly what the applicant's intentions are for the use of this property. The term "mixed use development" is in my opinion misleading in the extreme.

I would not like to see another 50 story highrise sandwiched in along side the existing buildings.

In short, I strenuously object to the granting of approval of this application

Sincerely

Walter van Halderen
