Council,

I wish to submit my concerns for this land use amendment application for the for the land at 7803 Bowcliffe Crescent NW from RC1 to R-CG.

We are the owners of the property adjacent. I am concerned that the land of 7803 Bowcliffe Cr. and where it sits in relation to our house, the alleyway and the road of Bowcliffe crescent is unsuitable for more buildings without impinging on the privacy that we currently enjoy. The existing property at 7803 Bowcliffe Cr. is currently subdivided into multiple rental units and this already places a strain on available parking and adequate garbage and recycling space for the property.

I feel it should also be noted that on a previous building permit application for 7803 Bowcliffe Cr. the existing structures on the land were incorrectly stated as being one unit, whereas it is subdivided into multiple rental units. The backyard of 7803 Bowcliffe Cr has been subdivided to allow for the storage of commercial construction materials- a practice i find at odds with a residential street.

Our property currently receives a great deal of summer shade from the canopy of a City poplar tree that sits between our house and 7803 Bowcliffe Cr. We are concerned that any increase in the number of dwellings on 7803 Bowcliffe Cr. will have a destabilizing affect on this trees health- both in the immediate construction phase and risk posed by heavy machinery and long term due to the stress on the root system.
