RE: Proposed bottle depot in Walden, Bylaw 94D2014

Dear Mr. Doherty,

Our Gates of Walden shopping centre site is fully leased. Given our tenant mix at this time and even in the future, which includes Save On Foods grocery store, Shoppers Drug Mart, a preschool, medical clinic, a variety of restaurants, and financial institutions, to name a few, we would not consider a bottle depot on this site. We believe your currently proposed site within the landfill setback is the most appropriate location in this community.

Sincerely,

Jeremy Thal
