

### Notice of Motion Checklist

The checklist is a tool intended to support the sponsor(s) of a Notice of Motion. The items listed below are important considerations when crafting and submitting a Notice of Motion. It is also intended to support other Members of Council, as the same considerations are important when reaching a decision on a Notice of Motion.

The checklist is therefore an opportunity for the sponsor(s) to:

- Consider what advice might be helpful to them in formulating their proposal; and
- Share key points about the advice received with their council colleagues, to inform their deliberations.

This document is recommended to be provided to City Clerks alongside every Notice of Motion and will become part of the Corporate Record. It is at the discretion of the sponsor(s) to decide with whom to consult and what information to include.

Title of the Motion: Re-investing On-street Parking Revenue for Streets Service

This exploratory work will look at areas impacted by this Notice of Motion to see if the work would be within the capacity of the impacted services to absorb. The funding mechanism is what is being explored, that would not be a constraint in this exercise. The work set out in this motion is not expected to require any additional funding.
