To Whom It May Concern:

Regarding LOC2022-0041:

We understand that the applicant has entered into a parking agreement, with the Korean Bethel Presbyterian Church of Calgary located at 3403 19<sup>th</sup> Ave SE, for Daycare clients to use the church parking lot for drop off and pick up. This, along with answers to other questions, has mitigated the Community Association's concern regarding both the land use change and the increased number of clients.

We are now able to support the applicants request LOC2022-0041 with the understanding the parking agreement with the Korean Bethel Presbyterian Church of Calgary will remain in place.

Sincerely,

Wendy Whitehouse
