As an approved development permit holder, we were in the process of applying for new home building permit. Due to changes to our family circumstances we have come to a place where multi-family {semi-detached} is very important to us.

Style of new build architecturally will not be impacted in dramatic ways. Many single-family homes have separate multiple entrances and other items that will be impacted by this change. We will address all development requirements if needed. Please help our family to find a good home in this wonderful community
