To Whom It May Concern:

The Rutland Park Community Association has been requesting that the new Currie Barracks development be given its own restricted parking zone designation for a number of years. We would like to see the entire CFB Calgary Lands given its own parking zone designation (not the EE zoning associated with the surrounding Rutland and Lincoln Park communities). This zone should encompass not only the existing Currie Barracks development, but all of the CFB Calgary Lands that will be part of the Currie Barracks development, so that we do not have to go through this process again as the CFB West Master Plan is completed.

Your support in designating a restricted parking zone for the entire area would be appreciated. If you have any further questions, please feel free to contact us. Thank you for time and consideration.
